[A User's Guide to Neglectful Parenting](#) - Guy Delisle
2021-04-29

Meditations on fatherhood from the author of Jerusalem: Chronicles from the Holy City With A User's Guide to Neglectful Parenting, the trademark dry humor that pervades Guy Delisle's landmark and praised graphic travelogues takes center stage. Quick, light vignettes play on the worries and cares any young parent might have, and offer wry solutions to the petty frustrations of being a dad who works from home. Readers familiar with Delisle's stranger-in-a-strange-land technique for storytelling (employed in Jerusalem, Pyongyang, Burma Chronicles, and Shenzhen) will recognize the titular parent in this book; Delisle's travelogues were simultaneously portraits of complex places and times, and portraits of a stay-at-home dad's ever-changing relationship with his children

while his wife is out working for Doctors Without Borders. The relationship between young child and all-too-irony-aware parent is beautifully done here, and Delisle's loose flowing style has been set free, creating a wonderful sense of motion throughout. A User's Guide to Neglectful Parenting is an intimate, offbeat look at the joys of parenting. A User's Guide to Neglectful Parenting has been translated from the French by Helge Dascher. Dascher has been translating graphic novels from French and German to English for over twenty years. A contributor to Drawn & Quarterly since the early days, her translations include acclaimed titles such as the Aya series by Marguerite Aboutet and Clément Oubrerie, Hostage by Guy Delisle, and Beautiful Darkness by Fabien Vehlmann and Kerascoët. With a background in art history and history, she also translates books and exhibitions for museums in North America and Europe. She lives in Montreal.

Dictionary of Sports and Games Terminology - Adrian

Room 2010-04-30

The specialized jargon of some sports can be quite esoteric. Non-Americans, for example, are likely puzzled by baseball terms such as bunt, cut-off man, and safety squeeze, while the non-British may pause over cricket's Chinaman, doosra, golden duck, off-break, popping crease, and yorker. This new dictionary gives the definitions of more than 8,000 terms used in sports and games from around the world, including mainstream sports like basketball and billiards alongside the more obscure netball and snooker. Entries cover sports equipment, strategies, venues, qualifying categories, awards, and administrative bodies, while a comprehensive system of cross-references offers assistance and clarification when needed. An appendix lists standard abbreviations of sports ruling bodies and administrative organizations.
