Month of Gratitude - Punita Rice 2019-06-27

Month of Gratitude A Daily Gratitude Journal for 31 Days to Being a Happier & More Positive Mama from Happy Mom Guide. This is a one-month long gratitude journal for becoming a happier & more positive mama, from Happy Mom Guide. There are 31 prompts for a month (and if it's a short month, you'll end up with an extra prompt or so!). It has lined pages (two per prompt) and a new prompt each day. How to use this 1-month Gratitude Journal Every day this month, you will carve out some time to fill out one of the gratitude prompts in this journal. As you respond to each day's gratitude prompt, you might... write in a "Dear Diary" format write narrative essays do bulleted lists of everything you're grateful for do numbered lists of everything you're grateful for create a gratitude chart of some kind create cartoons and text create gratitude artwork do some combination of the above approaches Whatever, or however, you think and express yourself best, do what

works for you. (That said, doing something to make your entry look aesthetically pleasing to you can be a good way to make it an even more enjoyable practice). There's no right or wrong way to do your gratitude practice! What Happens if I Skip a Day? Ideally, you'll complete a gratitude prompt daily -- which means for an entire month you'll be practicing gratitude. But you might end up missing a day here or there -- if you do have to take breaks in between, the next prompt will be right there waiting for you to pick up where you left off, so just pick it right back up again. And if you ever feel stuck, in trying to express gratitude on a day, you can always go back to your entries for previous prompts for inspiration. As you begin your Month of Gratitude journey, may you feel inspired, grateful, and full of joy... And may you feel, to the core, happy. Scroll back up now and order a copy for yourself or another Mama you love!
