Look Me in the Eye - John Elder Robison 2007-09-25
NEW YORK TIMES
BESTSELLER • “As sweet and funny and sad and true and heartfelt a memoir as one could find.” —from the foreword by Augusten Burroughs Ever since he was young, John Robison longed to connect with other people, but by the time he was

a teenager, his odd habits—an inclination to blurt out non sequiturs, avoid eye contact, dismantle radios, and dig five-foot holes (and stick his younger brother, Augusten Burroughs, in them)—had earned him the label “social deviant.” It was not until he was forty that he was diagnosed with a form of

autism called Asperger's syndrome. That understanding transformed the way he saw himself—and the world. A born storyteller, Robison has written a moving, darkly funny memoir about a life that has taken him from developing exploding guitars for KISS to building a family of his own. It's a strange, sly, indelible account—sometimes alien yet always deeply human.

2022 Land Rover Defender 90: What Is Special about

2022 Land Rover Defender

90? - Evans TALIA 2021-10-20

The 2022 Land Rover Defender might look reminiscent of the 1950s original, but in reality it is a completely modern, high-tech off-roader with unique curb appeal. A trio of engines is offered--a turbocharged four-cylinder, a turbo-and-supercharged six-cylinder, and a supercharged V-8--and all come standard with four-wheel drive. The Defender can be had in two-door 90 and four-door 110 body styles, and advanced-duty off-roading equipment is available on all models, including an adjustable air suspension and locking differentials. There aren't many

SUVs that are as capable as the Defender, and they mostly come from Land Rover's lineup. Some may consider the Jeep Wrangler a cheaper alternative, but the Defender has it beat when it comes to on-road refinement and available luxury appointments. There are a lot of things we do not really know about the car. What's that?
