In the house, workplace, or perhaps in your method can be every best place within net connections. If you plan to download and install the Poison A Memoir Of Sexual Exploration Adventures And Other Notable Mishaps , it is totally easy then, in the past currently we extend the member to buy and make bargains to download and install Poison A Memoir Of Sexual Exploration Adventures And Other Notable Mishaps in view of that simple!

Honey and Poison - Pedro Tamen 2001
Honey and Poison is the first comprehensive selection in English of the poetry of one of Portugal's finest contemporary writers. Condensed and intimate, sometimes slyly secretive, these poems are

measured by moments of revelation, love, wit and - most particularly - passion. They also have a captivating sense of history and place, reflecting the land and the emotions of a country that has moved from dictatorship to democracy over the past three decades. A

Portuguese critic, reflecting on Tamen's place in the canon, recently observed that he writes with a humour and expressiveness reminiscent of the greatest poets of Portuguese literature.

The Advocate - 2004-08-17

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine.

Established in 1967, it is the oldest continuing LGBT publication in the United States.

The Perfect Poison - Amanda Quick 2009-04-21

In this suspenseful Arcane Society novel, New York Times bestselling author Amanda Quick delves into the underworld of passion, greed and powers that lie beyond this realm. Victorian botanist Lucinda Bromley has a rare talent: the ability to detect almost any type of poison. She also tends many rare plants, including a species of fern that was stolen from her conservatory just last month—and which turns up in a poison that was used in a nobleman's murder. To keep

her name out of the investigation and to find the killer, Lucinda hires a fellow Arcane Society member. The founder of a psychological investigation agency, Caleb Jones is very good at protecting the Society's secrets—and frighteningly good at getting the truth. As a nearly overwhelming desire blooms between Caleb and Lucinda, they are drawn into the dark heart of a deadly conspiracy—and into a legacy of madness that could plunge Caleb into the depths of his own tortured soul...

The Glass Castle - Jeannette Walls 2007-01-02

A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

Poison - Megan Arnow 2011-06-01

She's young and radiating with pulchritude just as much as attitude. But Niki Lyons is a warring state taking up arms against her identity and the stowaway within herself; Poison. Poison is a creature of indulgence, sex, pain, and abuse. Can Niki take control of her life? Of her body? While facing the throws of addiction, can she cure her own poison? *The Poison that Fell from the Sky* - John Grant Fuller 1977 Describes the disaster that befell a community when a local chemical factory exploded--it is a disaster that threatens us all.

Seductive Poison - Deborah Layton 1998

A close confidante of the late Reverend Jim Jones describes how she was drawn into the deadly cult and how she narrowly escaped the mass suicide in Guyana in 1978

Sweet Poison - Ellen Hart 2008-11-11

Struggling to juggle her career as a restaurateur while working on her father's campaign for governor, Jane Lawless turns sleuth when one

of the volunteers on the campaign is found murdered.

The Poison in the Gift - Gloria Goodwin Raheja 1988-06-01

The Poison in the Gift is a detailed ethnography of gift-giving in a North Indian village that powerfully demonstrates a new theoretical interpretation of caste. Introducing the concept of ritual centrality, Raheja shows that the position of the dominant landholding caste in the village is grounded in a central-peripheral configuration of castes rather than a hierarchical ordering. She advances a view of caste as semiotically constituted of contextually shifting sets of meanings, rather than one overarching ideological feature. This new understanding undermines the controversial interpretation advanced by Louis Dumont in his 1966 book, *Homo Hierarchicus*, in which he proposed a disjunction between the ideology of hierarchy based on the "purity" of the Brahman priest and the "temporal power" of the dominant caste

or the king.

Poison - Sara Poole

2010-08-03

In the simmering hot summer of 1492, a monstrous evil is stirring within the Eternal City of Rome. The brutal murder of an alchemist sets off a desperate race to uncover the plot that threatens to extinguish the light of the Renaissance and plunge Europe back into medieval darkness. Determined to avenge the killing of her father, Francesca Giordano defies all convention to claim for herself the position of poisoner serving Cardinal Rodrigo Borgia, head of the most notorious and dangerous family in Italy. She becomes the confidante of Lucrezia Borgia and the lover of Cesare Borgia. At the same time, she is drawn to the young renegade monk who yearns to save her life and her soul. Navigating a web of treachery and deceit, Francesca pursues her father's killer from the depths of Rome's Jewish ghetto to the heights of the Vatican itself. In so doing, she sets the stage for the ultimate

confrontation with ancient forces that will seek to use her darkest desires to achieve their own catastrophic ends.

Seduced into Darkness -

Carrie Ishee 2020-06-01

Seduced into Darkness: Transcending My Psychiatrist's Sexual Abuse is a vivid and captivating story of hope for survivors of abuse as well as a case study in a skilled manipulator's tragic exploitation of his professional power. This poignant memoir chronicles the traumatic psychological abduction and sexual exploitation of depressed college student Carrie Tansey at the hands of her psychiatrist, Dr. Anthony Romano—thirty-one years her senior. For three years, their secret "affair" was carefully calculated and controlled by Romano, as Carrie's mental and emotional health continued to deteriorate, bringing her closer and closer to the edge. Their dual-relationship finally came to light when Carrie's suicide attempts landed her in a world-renowned psychiatric hospital. Gradually, she began

to reclaim her power, reported Romano to the state licensing board, successfully sued him for malpractice, and testified before the state legislature to bring awareness to such abuses. As Carrie tells her tale, it is a journey paralleling that of the mythical archetype Persephone, the naive innocent who was abducted into darkness, reemerged and regenerated herself, then fearlessly returned to the prison she had fled, this time to help free others. Today, Carrie Ishee is a widely respected art therapist and life coach as well as a teacher specializing in the issues of ethics, self-care, and boundaries for mental health professionals.

Poison Kiss - Ana Mardoll

2015-11-26

Rose awakens in a fairytale land, stripped of her memories and any sense of self she might once have possessed. Facing a short life of brutal servitude as one of the May Queen's executioners, she chooses instead a reckless dash for freedom alongside her sister-captive, Lavender. Yet even if

the two women manage to flee the otherworld to return earthside, they may never be safe from the reach of cruel faeries who seek to use them as pawns in a deadly game. When a strange silver man calling himself Clarent unexpectedly dumps out onto the doorstep of their apartment, Rose and Lavender will work together with a diverse community of survivors in order to stay alive and free. Through the magical dangers that assault them on all sides, Rose must navigate the struggles brought on by her painful past while contending with the difficulty of forging an intimate relationship with the two people who love her most when her very body is lethal.

Poison Kisses - Lisa Renee

Jones 2018-02-06

Amanda Skye made me want her. She made me trust her. She made me love her. Then she betrayed me. And now, a madman brings us together again and before our battle with him is over, I will make sure that she never forgets my name: Seth Cage. The Fixer for

The Brandon Family Empire, but to a covert CIA operation, I will always be The Assassin. And to Amanda, I will be the man who made her moan, sigh, and beg. And I will make her beg. ***Note -- Poison Kisses is part 1 of a 3 part serial: All three parts are super sexy with an alpha man who has met his match in a kickass female. There will be naked moments that may or may not include a gun, which may or may not be his gun. ****

Science Fact and Science

Fiction - Brian Stableford

2006-09-06

Science fiction is a literary genre based on scientific speculation. Works of science fiction use the ideas and the vocabulary of all sciences to create valid narratives that explore the future effects of science on events and human beings. Science Fact and Science Fiction examines in one volume how science has propelled science-fiction and, to a lesser extent, how science fiction has influenced the sciences. Although coverage will discuss the science behind

the fiction from the Classical Age to the present, focus is naturally on the 19th century to the present, when the Industrial Revolution and spectacular progress in science and technology triggered an influx of science-fiction works speculating on the future. As scientific developments alter expectations for the future, the literature absorbs, uses, and adapts such contextual visions. The goal of the Encyclopedia is not to present a catalog of sciences and their application in literary fiction, but rather to study the ongoing flow and counterflow of influences, including how fictional representations of science affect how we view its practice and disciplines. Although the main focus is on literature, other forms of science fiction, including film and video games, are explored and, because science is an international matter, works from non-English speaking countries are discussed as needed.

A Walk in the Woods - Bill

Bryson 2012-05-15

God only knows what

possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans.

Lost World & the Poison Belt - Arthur Conan Doyle 1989

Two Professor Challenger adventures chronicle--respectively--the professor's

expedition to an ancient world inhabited by dinosaurs and ape-men, and his plan to save the world from the deadly gas he prophesies.

Printed Poison - Jeffrey K. Sawyer 1990-01-01

Combining a broad analysis of political culture with a particular focus on rhetoric and strategy, Jeffrey Sawyer analyzes the role of pamphlets in the political arena in seventeenth-century France. During the years 1614-1617 a series of conflicts occurred in France, resulting from the struggle for domination of Louis XIII's government. In response more than 1200 pamphlets--some printed in as many as eighteen editions--were produced and distributed. These pamphlets constituted the political press of the period, offering the only significant published source of news and commentary. Sawyer examines key aspects of the impact of pamphleteering: the composition of the targeted public and the ways in which pamphlets were designed to affect its various segments, the

interaction of pamphlet printing and political action at the court and provincial levels, and the strong connection between pamphlet content and assumptions on the one hand and the evolution of the French state on the other. His analysis provides new and valuable insights into the rhetoric and practice of politics. Sawyer concludes that French political culture was shaped by the efforts of royal ministers to control political communication. The resulting distortions of public discourse facilitated a spectacular growth of royal power and monarchist ideology and influenced the subsequent history of French politics well into the Revolutionary era. Pick Your Poison - Leann Sweeney 2004-05-04

Out of school, out of work, and out of motivation, Abby Rose is contemplating her life and wondering what to do next. It's the kind of situation that would get some girls down, but luckily Abby's got a heart the size of Texas-and a bank account to match. But when she discovers the gardener dead in her greenhouse, Abby realizes what she needs to do with herself: she needs to solve a murder...

The Poison Belt - Arthur Conan Doyle 2006

Purchase one of 1st World Library's Classic Books and help support our free internet library of downloadable eBooks. Visit us online at www.1stWorldLibrary.ORG - - It is imperative that now at once, while these stupendous events are still clear in my mind, I should set them down with that exactness of detail

which time may blur. But even as I do so, I am over-whelmed by the wonder of the fact that it should be our little group of the "Lost World" - Professor Challenger, Professor Summerlee, Lord John Roxton, and myself - who have passed through this amazing experience. When, some years ago, I chronicled in the Daily Gazette our epoch-making journey in South America, I little thought that it should ever fall to my lot to tell an even stranger personal experience, one which is unique in all human annals and must stand out in the records of history as a great peak among the humble foothills which surround it. The event itself will always be marvellous, but the circumstances that we four were together at the time of this extraordinary episode came about in a most natural and, indeed, inevitable fashion. I will explain the events which led up to it as shortly and as clearly as I can, though I am well aware that the fuller the detail upon such a subject the more welcome it will be to the

reader, for the public curiosity has been and still is insatiable.

A Beautiful Poison - Lydia Kang 2017-07-11

Just beyond the Gilded Age, in the mist-covered streets of New York, the deadly Spanish influenza ripples through the city. But with so many victims in her close circle, young socialite Allene questions if the flu is really to blame. All appear to have been poisoned—and every death was accompanied by a mysterious note. Desperate for answers and dreading her own engagement to a wealthy gentleman, Allene returns to her passion for scientific discovery and recruits her long-lost friends, Jasper and Birdie, for help. The investigation brings her closer to Jasper, an apprentice medical examiner at Bellevue Hospital who still holds her heart, and offers the delicate Birdie a last-ditch chance to find a safe haven before her fragile health fails. As more of their friends and family die, alliances shift, lives become entangled, and the three begin

to suspect everyone—even each other. As they race to find the culprit, Allene, Birdie, and Jasper must once again trust each other, before one of them becomes the next victim.

Seductive Poison - Deborah Layton 2010-08-18

In this haunting and riveting firsthand account, a survivor of Jim Jones's Peoples Temple opens up the shadowy world of cults and shows how anyone can fall under their spell. A high-level member of Jim Jones's Peoples Temple for seven years, Deborah Layton escaped his infamous commune in the Guyanese jungle, leaving behind her mother, her older brother, and many friends. She returned to the United States with warnings of impending disaster, but her pleas for help fell on skeptical ears, and shortly thereafter, in November 1978, the Jonestown massacre shocked the world. *Seductive Poison* is both an unflinching historical document and a suspenseful story of intrigue, power, and murder.

The Writers Directory - 1990

The Advocate - 2001-08-14

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine.

Established in 1967, it is the oldest continuing LGBT publication in the United States.

Poisoned Lives - Katherine Watson 2004

The book is based on the stories of 540 English poisoners. Most were poor and illiterate and thus their stories had been lost. Using historical sources the author challenges old assumptions about women and doctors being the majority of poisoners.

African Ethnobotany - Hans Dieter Neuwinger 1996

Blood to Poison - Mary Watson 2022-04-14

Seventeen-year-old Savannah is cursed. It's a sinister family heirloom; passed down through the bloodline for hundreds of years, with one woman in every generation destined to die young. The family call them Hella's girls, named for their ancestor Hella; the enslaved woman with whom it all began.

Hella's girls are always angry, especially in the months before they die. The anger is bursting from Savannah - at the men who cat-call her in the street, at her mother's disingenuous fiancé, even at her own loving family. Each fit of rage is bringing her closer to the edge and now Savannah has to act to save herself. Or die trying.

Because the key to survival lies in the underbelly of Cape Town, where the sinister veilwitches are waiting for just such a girl. Blood to Poison is a furious and mesmerising story about discovering magic, historical rage and love in all its guises.

Women who Kill - Ann Jones 1980

A study of women murderers in America from precolonial times to the present reveals a social history of the United States in terms of the women who murdered and their crimes

Sweet Poison - Margaret Gibson 1994

Explores the complex and terrifying psychological states of women on the edge of sanity.

Kill Anything That Moves -

Nick Turse 2013-01-15

Based on classified documents and first-person interviews, a controversial history of the Vietnam War argues that American acts of violence against millions of Vietnamese civilians were a pervasive and systematic part of the war and that soldiers were deliberately trained and ordered to conduct hate-based slaughter campaigns.

Fierce Poison - Will Thomas

2022-04-12

London, 1893, there is poisoner loose in the city, with deaths piling up, and private enquiry agents Cyrus Barker and Thomas Llewelyn are apparently his next target in *Fierce Poison* by Will Thomas. Private Enquiry agent Cyrus Barker has just about seen it all—he's been attacked by assassins, his office has been bombed, and evil-doers have even nearly killed his dog. But never before has a potential client dropped dead in his office. When Roland Fitzhugh, Member of Parliament arrives to consult Barker and his partner

Thomas Llewelyn, he falls to the floor, dead, upon entering. As they soon learn, he's been poisoned with a cyanide laced raspberry tart, and the adulterated tarts also take out an entire family in the East End. Labelled the Mad Pie Man by the press, Barker and Llewelyn are hired by former Prime Minister William Gladstone to find out who has targeted the House of Commons's newest member. But before they can even begin, they find themselves the latest target of this mad poisoner—with Barker's butler poisoned with digitalis and dozens of diabolic traps discovered at their home. On the run from their unseen adversary, Barker and Llewelyn must uncover the threads that connect these seemingly random acts and stop the killer before they and their closest friends and family become the latest casualties.

A Stolen Life - Jaycee Dugard

2011-07-12

A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-

year-old and held captive for over 18 years. On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period from the time of her abduction in 1991 up until the present. In her stark, utterly honest and unflinching narrative, Jaycee opens up about what she experienced, including how she feels now, a year after being found. Garrido and his wife Nancy have since

pleaded guilty to their crimes.

The Poison Master - Liz

Williams 2013-09-17

“Part alien adventure and part existential exploration, this top-notch tale establishes Williams as an author to watch.”

—Publishers Weekly, starred review *Latent Emanation* is a cruel world where ordinary people do everything they can to stay out of the way of their vicious masters, the mysterious Night Lords. Apprentice alchemist Alivet Dee is more cautious than most, having devoted her life to making enough money to buy back her imprisoned sister from the Night Lords—but trouble is about to find her. When a client dies during a routine alchemical session, Alivet flees—pursued by the Night Lords, their minions, and a dark force that haunts her dreams. She is rescued by Ghairen, a Poison Master from another world who offers her a chance to save her sister—and humanity, as well. He is charming and handsome, with ruby-red eyes that glow in the night—but how can she trust a

professional assassin? As she proceeds warily alongside the Poison Master, Alivet finds a chance not just to save mankind, but to unlock the mysteries of humanity's very existence.

Poison Study - Maria V. Snyder
2012-08-15

From New York Times
Bestselling Author Maria V. Snyder Choose: a quick death... or slow poison... Locked deep in the palace dungeon for killing her abuser, Yelena knows she'll never be free again. The laws in Ixia are strict, and murderers must be executed, no matter the reason. But just as she's resigned herself to her fate, she's offered an extraordinary reprieve. As the food taster, Yelena will eat the best meals, have rooms in the palace—and risk assassination by anyone trying to kill the Commander of Ixia. To make matters worse, the chief of security deliberately feeds her Butterfly's Dust, and only by appearing for her daily antidote will she delay an agonizing death from the

poison. As Yelena tries to escape her new dilemma, disasters keep mounting. Rebels plot to seize Ixia and Yelena develops magical powers she can't control. Her life is threatened again, and in order to survive, she must unravel the secrets behind the past she's been running from. The Chronicles of Ixia Series by Maria V Snyder Book One: Poison Study Book Two: Magic Study Book Three: Fire Study Book Four: Storm Glass Book Five: Sea Glass Book Six: Spy Glass Book Seven: Shadow Study Book Eight: Night Study Book Nine: Dawn Study

Poison Woman - Christine L. Marran 2007

"Portions of chapter 4 were previously published in slightly different form in "So bad she's good: the masochist's heroine in Japan, Abe Sada," in Bad girls of Japan, edited by Laura Miller and Jan Bardsley (London: Palgrave Macmillan, 2005), 141-67"--T.p. verso.

The Pleasure Plan - Laura Zam 2020-05-05

Based on popular essays in New York Times' Modern Love

and Salon, as well as an Off-Broadway one-person play, *The Pleasure Plan* is a sexual healing odyssey, a manifesto for women to claim pleasure as a priority, and a love story all at once. Fifty percent of adult women have some form of sexual dysfunction at some point of their lives, preventing them from enjoying vibrant, soul-satisfying sex. Such was the case with Laura Zam, who suffered the blame, shame, and embarrassment of feeling bedroom broken. For her, delving between the sheets meant physical pain, zero desire, and emotional scars from being molested in her early years. However, in her late forties, after meeting and marrying the love of her life, Zam was determined to finally fix her sensual self. This is her brave and bawdy plan to triage her flaccid romantic life, stepping into a void where intimacy, self-love, and playfulness could be experienced--the full monty of Eros that had been missing from her existence. *The Pleasure Plan* is what

happened when she decided to challenge her hopelessness. In partnership with her initially reluctant husband, she visited 15 healers and tried 30 pleasure-enhancing methods: from dilators and dildos, to hypnosis and hosting a sex brunch, to cleansing chakras, to making love to her husband in front of a geriatric Tantric goddess. Packed with humor, heart, and a healthy dose of prescriptive advice, this book chronicles Zam's insight as she confronts many issues—from mismatched libidos to female erection enlightenment. Throughout this journey, she and her husband grow as individuals and as a couple, both in and out of the bedroom. Fearlessly honest and full of inspiration, Zam peels back the layers—or covers—and exposes her foibles, insecurities, and eventual wisdom as she excavates past traumas, accepts and embraces her worth, and claims her right to be completely alive. Today, Laura works as a sexuality educator, wellness coach, and speaker helping other women

who suffer from sexual dysfunction, the effects of trauma, or those who would simply like more pleasure (of all kinds) in their lives. She also consults with health care providers so they may better assist their clients in achieving sexual well-being. While *The Pleasure Plan* is Zam's personal narrative, it demystifies pervasive taboos, encouraging women to make pleasure a priority, while teaching them how to claim (or reclaim) the power of their sexual selves. It also shows men how they can support their partners in this #Metoo era. Healthy, sultry intimacy is a right; it is time for women to learn—through glorious trial and error—how to embrace the sensual side of themselves. . . . exuberantly and unabashedly.

A Poison Stronger Than Love - Anastasia M. Shkilnyk

[The Poison King](#) - Adrienne

Mayor 2010

A compelling biography of the legendary king, rebel, and poisoner who defied the Roman Empire Machiavelli praised his military genius. European royalty sought out his secret elixir against poison. His life inspired Mozart's first opera, while for centuries poets and playwrights recited bloody, romantic tales of his victories, defeats, intrigues, concubines, and mysterious death. But until now no modern historian has recounted the full story of Mithradates, the ruthless king and visionary rebel who challenged the power of Rome in the first century BC. In this richly illustrated book—the first biography of Mithradates in fifty years—Adrienne Mayor combines a storyteller's gifts with the most recent archaeological and scientific discoveries to tell the tale of Mithradates as it has never been told before. *The Poison King* describes a life brimming with spectacle and excitement. Claiming Alexander the Great and Darius of Persia as ancestors, Mithradates

inherited a wealthy Black Sea kingdom at age fourteen after his mother poisoned his father. He fled into exile and returned in triumph to become a ruler of superb intelligence and fierce ambition. Hailed as a savior by his followers and feared as a second Hannibal by his enemies, he envisioned a grand Eastern empire to rival Rome. After massacring eighty thousand Roman citizens in 88 BC, he seized Greece and modern-day Turkey. Fighting some of the most spectacular battles in ancient history, he dragged Rome into a long round of wars and threatened to invade Italy itself. His uncanny ability to elude capture and surge back after devastating losses unnerved the Romans, while his mastery of poisons allowed him to foil assassination attempts and eliminate rivals. The Poison King is a gripping account of one of Rome's most relentless but least understood foes.

The Happily Ever After - Avi Steinberg 2020-08-11

A memoir about writing a novel about searching for love. Is

romance dead? Is that why there are so many vampires in today's romance novels? When Avi Steinberg's love life took a grim turn, he did what he always does: He consulted his old books, the usual cast of Great (Very Serious, Usually Male) Authors. And he immediately realized that these books were part of the problem. Instead, he began to read romances, the books he--like so many of us--have been conditioned to dismiss as "trashy." What he discovered was a genre that was tremendously diverse and daring, along with a vast network of innovative writers who were keeping the novel as alive as ever. His own relationship problems, he realized, came down to a failure of his imagination. And so he set out on a quest to write and publish a romance novel and to find real-life love. A hybrid of memoir, travelogue, and critical essay, *The Happily Ever After* chronicles an adventure in a brave new world of literature. Steinberg offers a report from

the trenches of romance, moving between major industry conferences and writing groups at the local bar as he works and reworks his romance novel idea. He reveals the inside scoop from a major romance publishing house, crisscrosses the country meeting mysterious ghostwriters and Fabio's great unsung rival, and offers a running take on the fascinating history of romance writing, the genre that invented, and continues to reinvent, the modern novel. Along the way he meets many readers, each of whom sheds

light on why we are so fascinated by--and phobic of--romance fiction and what the vitality and fractiousness of our biggest genre says about us. With quirky wit and disarming honesty, Steinberg captures an often misunderstood literary culture and learns, from its devoted practitioners, how to take the Happily Ever After seriously in his own life.

Crippen - Roger Dalrymple
2020-05-15

How did the case of the 'mild mannered murderer', Hawley Harvey Crippen, come to have such an enduring cultural resonance?
