Angel Power - Janice T. Connell 2015-03-18

ANGEL POWER describes the special tasks and responsibilities of each of the Nine Choirs of Angels. The Seraphim, Cherubim, and Thrones are angels of goodness, love, and wisdom. The Angels of Dominion are angels of leadership. From the Virtue Angels flow miracles of healing, comfort, and peace. The Power Angels are special warriors against evil and defenders of goodness. The Principalities, Archangels, and Angels administer our planet. By illuminating each Choir's special powers, the author enables us more easily to draw upon its particular, radiant light. Weaving her own personal angel experiences together with angel prayers and with true angel stories she has been told, the author teaches us to open ourselves to angelic guidance, support, and protection. Her book spreads before us a dazzling and profoundly reassuring prospect of angel power at work -- a vision so beautiful and potent that those who experience it feel they know heaven on earth.

And most important, what are the nature and role of angels in God's cosmos and his redemptive plan? Stephen Noll answers these questions in this detailed exploration of angels in the tapestry of Scripture. Here is a biblical-theological study of angels, Satan and the powers that fills a significant gap and will command the attention of serious students of scripture.

"From the #1 New York Times and international bestselling authors of *An Invisible Thread* comes a heartwarming and inspiring book about the incredible impact that acts of kindness from strangers can have on the world around us. One day in 1986, Laura Schroff, a busy ad sales executive, passed an eleven-year-old boy panhandling on the street. She stopped and offered to take him to McDonald's for lunch. Twenty years later, at Laura's fiftieth birthday party, Maurice Mazyck gave a toast, thanking Laura for her act of kindness, which ended up changing the course of his life. In that toast, Maurice said that when Laura stopped on that busy street corner all those years ago, God had sent him an angel. Laura's invisible thread journey has deepened her belief that angels--divine and otherwise--are all around us. After *An Invisible Thread* was published in 2011, readers from around the country and world began sharing with Laura their own stories about how chance encounters with strangers have changed their lives. From a woman who saved a life simply by buying someone a book, to a financier who gave a stranger the greatest gift of all, to a teacher who chose a hug over discipline and changed a lost boy's future--*Angels on Earth* will introduce a series of remarkable people whose invisible thread stories will move, surprise, and inspire readers. *Angels on Earth* sheds light on how each of us can live happier, more purposeful lives through sharing acts of kindness"--
