Social Assistance in Albania - Harold Alderman 1998-01-01
Albania provides a small amount of social assistance to nearly 20% of its population through a system which allows a degree of community discretion in determining distribution. This study investigates the poverty targeting of this program. It indicates that relative to other safety net programs in low

income countries, social assistance in Albania is fairly well targeted to the poor.

A Morning Like This - Deborah Bedford
2009-06-10

David and Abby Treasure seem to have everything together: a perfect marriage, a

perfect son, and a perfect life. But one simple phone call turns their world upside down. Years ago, David had an affair outside of his marriage, and though he never knew it, the affair produced a daughter. Now his former lover calls with heartbreaking news: his daughter is dying of leukemia. Her only hope for survival is a bone marrow transplant-from David or his son. Can David and Abby set aside their betrayal and anger to save a little girl's life? If they can make it through, they may find that their love for one another and their faith in God can be redeemed . . . and grow stronger than ever before.

Probability, Statistics, and Random Processes for Engineers - Henry Stark 2012

For courses in Probability and Random Processes. Probability, Statistics, and Random Processes for Engineers, 4e is a comprehensive treatment of probability and random processes that, more than any other available source, combines rigor with accessibility. Beginning

with the fundamentals of probability theory and requiring only college-level calculus, the book develops all the tools needed to understand more advanced topics such as random sequences, continuous-time random processes, and statistical signal processing. The book progresses at a leisurely pace, never assuming more knowledge than contained in the material already covered. Rigor is established by developing all results from the basic axioms and carefully defining and discussing such advanced notions as stochastic convergence, stochastic integrals and resolution of stochastic processes.
