So when Leila Ortiz, a petite woman with a "baby on board" sticker on the back of her car—and an 18-month-old boy in her arms—shows up at the range, panicked and desperate for a gun, he knows something is wrong. Having grown up in the foster system, Clint has seen what happens when you let yourself get too invested—things get messy, people leave. He made himself a promise to never get emotionally involved again, but the former SEAL in him feels the tug to help this woman and her child. Leila's ex-husband is being released from prison early on good behavior and she found out too late. He was supposed to serve five years, not two, and Leila is unprepared to protect herself and her son. She promised him they'd never run again—they've made a nice life for themselves and the last thing she wants to do is leave it all behind. When Clint refuses to give Leila a gun without lessons, she agrees to return to the range to learn. At first, Leila

won't say why she's so desperate for protection, but when the threats from her ex escalate, it becomes clear what she's afraid of. Clint is a loner. Always has been, always will be. So when Leila and her little son enter his life, it hits him—hard— maybe being alone isn't what he needs. Still, having his solitary life disrupted when he invites the little family into his home is a bit tougher to take than he thought. With Leila and her son in danger, though, he'll do whatever it takes to keep them safe—even putting up with stray toys and changing a nappy or two. But the biggest danger might be to his heart, when it starts to look like the safest thing for Leila and her baby might be to leave her problems—and her budding relationship with Clint—behind.

**Across the Pond** - RJ. Scott 2019

The greatest journey isn't from England to the States, it's the one that two men take on the way to find each other. Sebastian Brown is on a mission to rescue the Arizona Raptors and a vow he made to a friend in college. Either that or he's on vacation. He's not entirely sure that he's made up his mind yet. Either way, traveling from England, to the arid desert of Arizona isn't exactly a picnic, particularly with the doubts and worries he takes with him. He's turned even the worst of companies around, but faced with the challenge of improving the reputation of a hockey team that everyone seems to hate, he knows his work is cut out for him. Focus is key, but that is easier said than done when Seb is sent into a tailspin by the intriguing Alejandro. Seb's entire marketing plan hinges on making Alex a poster boy for equality and fair play. But with Alex's utter dedication to the game, and his dark secretive eyes, the gorgeous Alex is stubborn, opinionated, doesn't want any part of being the team focus, and worst of all, doesn't appear to like Seb at all. It takes everything that Seb has to keep his hands off of Alex, but things get out of hand and Seb's life might never be the same again. Alejandro Garcia has had to work hard to get where he's at. Born to Mexican immigrants, his siblings and himself have never had it easy in this new country their parents dreamed of calling home. A native son of Arizona, Alex has

always been the odd man out on the ice but he's not going to let a stupid thing like his heritage get in the way of his dreams. He's now a Raptor and he plans to put all that training and collegiate hockey experience to good use. Working hard comes naturally to him. It's something his parents have instilled in him from the time he was a toddler. Being one of a handful of Latino hockey players makes him strive for success with even more determination. His first pro season has had some ups but a lot more downs, but Alex is one stubborn young man and failure is not an option. As the Raptors struggle to rebuild not only their team but their core values, Alex finds himself drawn to one of the owner's friends, a tall, lanky Brit with the face of an angel and an accent and attitude that bewitches and befuddles him. Sebastian is everything he thought he would never be attracted to but he can't push the sexy, older, fun-loving man out of his thoughts. If ever there were a man he would not be able to take home to his parents - not that he can bring a man home since he is deeply closeted - it's Sebastian, but desire knows no socioeconomic, age, or international borders. The heart wants what the heart wants and Alejandro's wants Sebastian.

#### **DNS FIT KID Exercise Journal** - Eliška Urbářová 2020-03-25

DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in

order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.

**Angels in the Sky: How a Band of Volunteer Airmen Saved the New State of Israel** - Robert Gandt 2017-10-03

"Reads like a World War II thriller, only better because every word is true.... One of the great untold stories of history. Robert Gandt has brought it vividly, unforgettably to life." —Steven Pressfield, best-selling

author of *Gates of Fire* In 1948, when the newly founded nation of Israel came under siege from a coalition of Arab states, a band of volunteer airmen from the United States, Canada, Britain, France, and South Africa arrived to help. They were a small group, fewer than 150. Many were World War II veterans; most of them knowingly violated their nations' embargoes on the shipment of arms and aircraft to Israel. The airmen risked everything—their careers, citizenship, and lives—to fight for Israel. The saga of the volunteer airmen in Israel's war of independence stands as one of the most stirring—and little-known—war stories of the past century.

Does the biggest threat lie within? In the far future, humanity has left Earth to create a glorious empire. Now this interstellar network of worlds faces disaster - but can three individuals save their people? The empire's outposts are utterly dependent on each other for resources, a safeguard against war, and a way its rulers can exert control. This relies on extra-dimensional pathways between the stars, connecting worlds. But 'The Flow' is changing course, which could plunge every colony into fatal isolation. A scientist will risk his life to inform the empire's ruler. A scion of a Merchant House stumbles upon conspirators seeking power. And the new Empress of the Interdependency must battle lies, rebellion and treason. Yet as they work to save a civilization on the brink of collapse, others have very different plans . . . The Collapsing Empire is an exciting space opera from John Scalzi.

*Der perfekte Fremde* - Charlotte Byrd 2021-01-12

Wer ist er? Was will er? Er tritt einen Schritt näher an mich heran und ich begreife, dass ich ihn kenne. Ich habe ihn seit Jahren nicht mehr gesehen, aber ich habe ihn nie vergessen. Er ist dunkel, reich und mächtig und er hat ein Geheimnis. Ärger steigt in mir hoch. Wer glaubt er, dass er ist, dass er einfach so hier auftaucht? Aber als ich meinen Mund öffne, um ihn anzuschreien, berühren sich unsere Lippen und ich kann mich nicht von ihm lösen ... Was Leser/innen über Charlotte Byrd sagen: "Diese Bücher machen süchtig! Super heiß und aufregend, spannend mit Plottwists, die einen überraschen ..." "Habe es in einem durchgelesen!" "Unglaublich! Das Buch hat mich verrückt gemacht, mein Herz hat die ganze Zeit wie wild gepocht und ich bin immer noch gefangen in der Geschichte und fühle mich wie ein Laubblatt

im Wind, das nur darauf wartet, wieder durch die Luft gewirbelt zu werden von einem der besten Gründe, mich von der Arbeit abzulenken und mich zu verlieren.“ □□□□ “Diese Buchreihe ist so aufregend und fesselnd. Die atemberaubenden Plottwists, die puren Emotionen und die nervenaufreibende Spannung nehmen mit jedem Buch dieser verlockenden Reihe weiter zu. Ich habe so sehr für Nicholas und Olivia mitgeföhlt. Die Figuren haben sich in mein Herz geschlichen, während sie gleichzeitig meinen Verstand durcheinander gebracht haben. Die fesselnde Geschichte zieht einen schnell in ihren Bann und bringt einen in die Welt des Paares. Bereite dich am besten jetzt schon auf den Cliffhanger und das Warten auf das sechste und letzte Buch in dieser erstaunlichen Reihe vor.“ □□□□

Falling For the Baron - Anya Cade 2021-06-17

She must marry. But she'll do it her way. And she has a plan... Caroline Whitfield has it all figured out. Since all young ladies of the ton must marry, she plans to do just that. The only romances she's interested in are between the pages of her beloved books, so love is not a consideration. She needs a husband willing to let her live her own life,

and who better than a man for whom a wife is an inconvenience packed off to the country? Which means only one type of man will do...She needs a rake, a man who will barely notice his own wife in favour of his own pursuits. It's the perfect plan. All she has to do is not fall in love... And most definitely not with the irritatingly handsome Baron Huntingford. He needs a wife. Preferably someone who is not Miss Whitfield... More at home on the battlefield than in a ballroom, Aaron, Baron Huntingford, is still getting used to his title and being a man of leisure rather than a soldier. A rake with a dangerous reputation he's used to any woman he wants falling at his feet, but Miss Whitfield is not like other debutantes. For one thing, she seems to actively dislike him. For another, she's his best friend's new sister-in-law, and therefore off limits. Never mind that he craves her touch and to find out if her lips taste as sweet as they look. But when he finds out about her scheme to bring a rake to the altar, all bets are off. If she wants a rake, she'll get one. Him.
