Sex by Prescription - Thomas Szasz 1990-11-01

For St Augustine, sexual desire was a disease; to the great doctors of coitus today, lack of sexual desire is a disease. For Dr Szasz, both these presumptions are absurd and unscientific. He argues persuasively that human sexuality - however it may be expressed - reveals and reflects who we are and who we want to be. There are no sexual disorders that need to be cured by sex therapies - there is only the never-ending task of having to develop and shape our lives. Szasz maintains that we evade that task by handing the management of our sexual lives over to sex education and sex therapists.

Vertical Turbulent Buoyant Jets - Ching Jen Chen 1980

The Healthy Kitchen - Andrew Weil, M.D. 2003-12-09

Two of America's most popular authorities on healthy eating and cooking join forces in this inspiring, easy-to-use cookbook. This is not a diet book. It is a lively guide to healthy cooking, day-by-day, packed with essential information and, above all, filled with enticing food. Andrew Weil, M.D.—author of the best-selling *Eating Well for Optimum Health*—brings to this perfect collaboration a comprehensive philosophy of nutrition grounded in science. Rosie Daley—acclaimed for her best-seller, *In the Kitchen with Rosie*—brings to it her innovative and highly flavorful spa cuisine. The recipes are eclectic, drawing from the healthy and delicious cooking of the Middle East, the Mediterranean, and Asia, among other cuisines. For starters, you might try Grilled Satay or a Miso Pâté; for soup, often a meal in itself, a hearty Mixed-Bean Minestrone Stew or a Roasted Winter Squash and Apple Soup with Cilantro Walnut Pesto; a special entrée could be the Savory Roasted Cornish Hens with Roasted Garlic or Baked Spicy Tofu with Bean Thread Noodles, Corn, and Mango; for a simple supper, Turkey Burgers or Portobello Burgers; and for the occasional indulgence, a dessert of Almond Fruit Tart or Peach and Blueberry Cobbler. Andy and Rosie do not always agree. When Rosie calls for chicken, Andy offers a tofu alternative; she likes the flavor of coconut milk, whereas he prefers ground nut milk; when she makes a pastry with butter, he suggests using Spectrum Spread. There are no hard-and-fast rules. Lifelong health begins in the kitchen, so this is a lifestyle book as well as a cookbook. In it you will learn from Dr. Weil: • how to make use of nutritional information in everyday cooking • what is organic . . . and how to buy organic foods • the importance of reading labels and what to look for • sensible advice about eggs, milk, cheese, salt, spicy foods, wine, coffee • the facts about sugar and artificial sweeteners . . . and from Rosie: • how to get kids involved—from skinning almonds to layering lasagna • ways to have fun in the kitchen—creating scallion firecrackers and radish rosettes • low-fat and nondairy alternatives for those with special concerns • smart menu planning—letting the seasons be your guide . . . and lots more. This revolutionary book will change forever the way you cook for yourself and your family. With 58 photographs in full color.

F*cking History - The Captain 2020-08-11

History that doesn't suck: Smart, crude, and hilariously relevant to modern life. Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh*t. Enter The Captain, the ultimate storyteller who brings history to life (and to your life) in this hilarious, intelligent, brutally honest, and crude compendium to events that happened before any of us were born. The entries in this compulsively readable book bridge past and present with topics like getting ghosted, handling haters, and why dog owners rule (sorry, cat people). Along the way you'll get a glimpse of Edith Wharton's sex life, dating rituals in Ancient Greece, catfishing in 500 BC, medieval flirting techniques, and squad goals from Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy--like Joanna of Castile, who went from accomplished badass to Joanna the Mad after obsessing over a guy known as Philip the Handsome. You'll discover how Resting Bitch Face has been embraced throughout history (so wear it proudly). And you'll see why it's never a good idea to f*ck with powerful women--from pirate queens to diehard suffragettes to Cleo-f*cking-patra. People in the past were just like us--so learn from life's losers and emulate the badasses. The Captain shows you how.
