I

have all of them! I'm an oboe and double bass teacher (I know!) based in Dublin, and I am very much a Christmas enthusiast. I'm known among my students for wearing Christmas socks 365 days a year (they've checked!!) I've taken on some double bass students this year, and I'll be buying your double bass Xmas duets to play with them. Given the brilliance of the oboe books, I'm really looking forward to it. Many thanks and keep up the good work! Eimear Very pleased with your Christmas songs for flute. Delighted with the Duets for Flute 21 Christmas songs and the 50+ Classics for Flute. [Christmas Carols for Flute & Guitar](#) - MYCHAL GENDRON
2015-09-30

This volume contains some of the most popular traditional carols, arranged for flute and

guitar. Most of these duet arrangements allow as much dialogue and interplay between the two instruments as possible, while maintaining each carol's character and spirit. While the flute often carries the melody, the guitar has frequent solo passages of its own to help break the melody with chords monotony found in many arrangements of this kind. Modulations, imitative counterpoint and quotations from works by well-known composers will, hopefully, make these little pieces enjoyable for performers as well as listeners. for intermediate level flutists and guitarists. Standard notation only.

Christmas Duets, Volume 2, for Flutes - Kenneth Baird
2018-10-26

Many have loved the duet

arrangements found in the original collection of 12 Christmas Duets for Flutes arranged by Kenneth Baird. Christmas Duets, Volume 2, is now available! As in the original collection, this is a delightful collection of intermediate to advanced-intermediate level duets based on traditional Christmas carols. They are challenging at times (not for beginners) without being overwhelming; at times joyful, at times uplifting, at times serene. There's even a very jazzy version of Go Tell It on the Mountain! In addition to being a joy for friends to play together, they are a great resource for teachers to play at lessons with their students, they are suitable for informal Christmas performances, and many are appropriate for church services. Note: the duets in this collection have NOT been arranged to be fully compatible with Mr. Baird's duet collections for other instruments. Instead, these have been arranged specifically for flutes. This collection does

include the duets found in previously released Five More Christmas Duets for Flutes by Mr. Baird. Included in Christmas Duets, Volume 2, are: Carol of the Bells, Ding Dong! Merrily on High, the First Noel, Go Tell It on the Mountain, It Came Upon a Midnight Clear, Jingle Bells, Joy to the World (a more traditional version than found in the original duet collection), We Three Kings, Angels We Have Heard on High, God Rest Ye Merry Gentlemen, and In Dulci Jubilo (Good Christian Men Rejoice). If you are looking for simple harmonizations of Christmas Carols, this collection is not for you. If you are looking for something more, you've come to the right place.

I have all of them! I'm an oboe and double bass teacher (I know!) based in Dublin, and I am very much a Christmas enthusiast. I'm known among my students for wearing Christmas socks 365 days a year (they've checked!!) I've taken on some double bass

students this year, and I'll be buying your double bass Xmas duets to play with them. Given the brilliance of the oboe books, I'm really looking forward to it. Many thanks and keep up the good work! Eimear Hello - I love the arrangements We just played some today! Have a lovely Christmas and thanks for providing beginner bassoonists with some great music!! Pauline Very pleased to have found your Christmas songs for flute, the Duets for Flute and the 50+ Classics for Flute. The selections were very appealing - so many of the tunes I had hoped for gathered together in one book. Sharon Hi there! I have been wishing for a long time there was such a thing as instrument specific theory books, and now I've found them. I intend to get your whole selection of flute books- they are excellent. I just wanted to tell you how great I think your books are! xxx Janine The children are loving the books! Particularly my little violinist who needs a fair amount of encouragement to get practising but he's so

excited about Christmas that I can't stop him sight reading his way through the carols...!!

Clare May I say how pleased I was to find that you now produce a piano accompaniment to go with the flute/clarinet parts. Now that I have the piano part it will make our playing even better. Many thanks. Sylvia Your music books are great for beginners and improvers and the duet books are very well constructed. Ellen I am loving your books. Jessie
