Walker Evans - Walker Evans 2001

"As novelist and poet Andrei Codrescu points out in the essay that accompanies this selection of photographs from the Getty Museum's collection, Evans's photographs are the work of an artist whose temperament was distinctly at odds with Beals's impassioned rhetoric. Evans's photographs of Cuba were made by a young, still maturing artist who - as Codrescu argues - was just beginning to combine his early, formalist aesthetic with the social concerns that would figure prominently in his later work."--Jacket.

Ruby on Rails - Nexcod Publishing 2019-07-04

Ruby on Rails for Beginners Ruby on Rails is an extremely productive web application framework written in Ruby by David Heinemeier Hansson. Since its debut in 2004, Ruby on Rails has rapidly become one of the most powerful and popular tools for building dynamic web applications. What makes Rails so great? First of all, Ruby on Rails is 100% open-source, available under the generous MIT License, and as a result it also

costs nothing to download or use. Rails also owes much of its success to its elegant and compact design; by exploiting the malleability of the underlying Ruby language, Rails effectively creates a domain-specific language for writing web applications. As a result, many common web programming tasks-such as generating HTML, making data models, and routing URLs-are easy with Rails, and the resulting application code is concise and readable.This tutorial has been designed for beginners who would like to use the Ruby framework for developing database-backed web applications. What You Will Learn: - Introduction - Installation - Framework - Database Setup - Active Records - Migrations - Controller - Routes - Views - Layouts - Scaffolding - File Uploading -Sending Emails - Much, Much More....

The Camera - Ansel Adams 2018-03-20

Ansel Adams (1902-1984) produced some of the 20th century's most iconic photographic images and helped nurture the art of photography through his creative innovations and peerless technical mastery. The Camera--the first volume in Adams' celebrated series of books on photographic techniques--has taught generations of photographers how to harness the camera's artistic potential. This time-honored handbook distills the knowledge gained through a lifetime in photography and remains as vital today as when it was first published. Along with visualization, image management, Adams' famous Zone System, and other keys to photographic artistry, The Camera covers 35mm, medium-format, and large-format view cameras, while offering detailed advice on camera components such as lenses, shutters, and light meters. Beautifully illustrated with photographs as well as instructive line drawings, this classic manual belongs on every serious photographer's bookshelf. "Adams is a clear-thinking writer whose concepts cannot but help the serious photographer." - New York Times "A master-class kind of guide from an undisputed master." - Publishers Weekly Over 1 million copies sold. Publisher's Note: This ebook of The Camera works best as a digital companion to the print edition. The ebook was produced by electronically scanning and digitizing a print edition, and as a result, your reading device may display images with halftone or moiré patterns.

Where We Began - Serena Clarke 2020-09-23

They were once-upon-a-time high school sweethearts, meant to be. Until his dad skipped town with her

mom. End of story. Ten years later Avery Robinson is back in tiny Austen, Oregon for her dad's funeral, suddenly single and unemployed. The last thing she needs is for his beloved dog to develop an annoyingly heartfelt canine crush on Logan Wagner. Even if her former love does look particularly dashing playing Mr. Darcy in the local Jane Austen festival. As sparks fly between them, the business empire Logan built from nothing suddenly feels hollow without Avery in his life. But trying to prove himself, he ends up juggling secrets that do more harm than good, and even Ace's puppy love can't help him regain Avery's heart. Pride, prejudice, and their inescapable past stand in the way of starting a new chapter together. But could a little Austen magic give them a second chance, in the place where they began? If you love charming small towns, endearing dogs, determined heroes, swoon-worthy grand gestures, and a dash of Jane Austen, don't miss this warmhearted, hometown happily ever after!
