The American Journey - Joyce Oldham Appleby 2009-01-01

You Kiss by th' Book - Gary Soto 2016-03-22

In his engaging new collection, National Book Award finalist Gary Soto creates poems that each begin with a line from Shakespeare and then continue in Soto's fresh and accessible verse. Drawing on moments from the sonnets, Hamlet, Macbeth, A Midsummer Night's Dream, Romeo and Juliet, and others, Soto illuminates aspects of the source material while taking his poems in directions of their own, strategically employing the color of "thee" and "thine," kings, thieves, and lovers. The results are inspired, by turns meditative, playful, and moving, and consistently fascinating for the conversation they create between the Bard's time and language and our own here and now.

The Skirt - Gary Soto 2012-11-28

For fans of Gary Soto and Matt de la Peña comes a tale of a contemporary Mexican-American family with a "spunky and imaginative heroine" (Publishers Weekly). Miata Ramirez is scared and upset. The skirt she brought to show off at school is gone. She brought her forklorico skirt to show off at school and left it on the bus. It's not just any skirt. This skirt belonged to Miata's mother when she was a child in Mexico. On Sunday, Miata and her dance group are supposed going to dance forklorico, or traditional Mexican folk dances; and that kind of dancing requires a skirt like the one Miata lost. It's Friday afternoon. Miata doesn't want her parents to know she's lost something again. Can she find a way to rescue the precious skirt in time? With its focus on family ties, friendship, and ethnic pride and Includes an afterword from its acclaimed the author, *The Skirt* is a story that children everywhere will relate to and be inspired by, no matter their background. [What Happens Next](#) - Colleen Clayton 2012-10-09

How can you talk about something that you can't remember? Before the ski trip, Cassidy "Sid" Murphy was a cheerleader (on the bottom of the pyramid, but still...) and a straight-A student, with two of the best friends a girl could ask for. When Sid finds herself on a ski lift with hunky local college guy, Dax Windsor, she's thrilled. "Come to a party with me," he tells her, but Dax isn't what he seems. He takes everything from Sid—including a lock of her perfect red curls—and she can't remember any of it. After the ski trip, Sid is an insomniac and an obsessive late-night runner, unable to relate to her old friends. Caught in a downward spiral, Sid drops her college prep classes and takes up residence in the A/V room with only Corey "The Living Stoner" Livingston for company. But as she gets to know Corey—slacker, baker, total dreamboat—Sid finds someone who truly makes her happy. Now, if only she could shake the nightmares, everything would be perfect... Witty and poignant, Colleen Clayton's debut is a stunning story of moving on after the unthinkable happens.

A Summer Life - Gary Soto 1991-08-01

Gary Soto writes that when he was five "what I knew best was at ground level." In this lively collection of short essays, Soto takes his reader to a ground-level perspective, resreating in vivid detail the sights, sounds, smells, and textures he knew growing up in his Fresno, California, neighborhood. The "things" of his boyhood tie it all together: his Buddha "spotted with gold," the taps of his shoes and the "engines of sparks that lived beneath my soles," his worn tennies smelling of "summer grass, asphalt, the moist sock breathing the defeat of basesall." The child's world is made up of small things—small, very important things.

[The Earliest Witnesses](#) - G.C. Waldrep 2021-01-28

This is how the witness ends: touch, withdraw; touch again. 'American Goshawk', the opening poem in this collection, concludes with these words. The word 'witness' comes with a wealth of meanings. The poems

are, at one level, acute observations of the world in its physical and dramatic detail. But eye and ear detect, in what is there, shadows and figures of what is beyond, what imparts to the things perceived their deeper form, significance and beauty. Such seeing is a craft, a form of translation that engages not just the surface but the essence of what is seen, what the poet calls 'eye-proofs of the epiphenomenal world'. The ophthalmologist in 'A Mystic's Guide to Arches' keeps asking, 'Can you see this?' And we can, seeing it more fully each time we re-read the poem and the separate things configure into a single, powerful seeing. Language obscures - until it releases what it names to the senses. The Earliest Witnesses is G.C. Waldrep's British debut.

The Big Nothing - Adrian Fogelin 2014-10-14

This sensitive and often humorous book tells the story of an adolescent boy who begins to find himself after the people he has always depended on let him down. Alone. That's how thirteen-year-old Justin feels these days. His older brother Duane has left home, enlisting in the Army, and his father has walked out, maybe for good this time. His mom is too depressed to get out of bed, much less pay the bills and keep food in the refrigerator. And if that's not enough, his best buddy Ben has a new girlfriend and no longer has time to hang out. There's not much left for Justin to do but to put his brain in neutral and slide into the state he calls "the Big Nothing." But slowly Justin discovers he has more resources than he thinks. With the help of his classmate Jemmie and her grandmother, Nana Grace, he learns that underneath all the noisy confusion in his brain lies a talent for music. As he spends time with Jemmie, he begins to understand how simple notes make complex music, and how simple feelings can turn into deep emotions. Award-winning author Adrian Fogelin once again offers readers an emotionally charged story featuring a sympathetic adolescent trying to make sense of the people and world around him.

The Elements of San Joaquin - Gary Soto 2018-04-03

Expanded from the award-winning Chicano poet's 1977 original, this poetry collection explores the hardships and joys of migrant workers in California. A timely new edition of a pioneering work in Latino literature, National Book Award-nominee Gary Soto's first collection (originally published in 1977) draws on California's fertile San Joaquin Valley, the people, the place, and the hard agricultural work done there by immigrants. In these poems, joy and anger, violence and hope are placed in both the metaphorical and very real circumstances of the Valley. Rooted in personal experiences—of the poet as a young man, his friends, family, and neighbors—the poems are spare but expansive, with Soto's voice as important as ever. This welcome new edition has been expanded with a crucial selection of complementary poems (some previously unpublished) and a new introduction by the author. Praise for *The Elements of San Joaquin* "A response to the charged, ideologically defiant voices from the seventies, *The Elements of San Joaquin* forever changed the course of Latino literature, redirecting us toward the mundane and ephemeral. The poet's only commitment, Gary Soto seemed to suggest, is to life itself. His teacher and role model was Philip Levine, who encouraged him to see his own neighborhood, indeed his own backyard, as a kingdom. The result was a type of poetry that weathered inclement times in ways that scores of other instant "hits" couldn't. It was new yet as old as the Bible and it still is. The word "classic" is overused these days. Not in this case." —Ilan Stavans, Lewis-Sebring Professor in the Humanities, Latin American and Latino Culture at Amherst College, and general editor of *The Norton Anthology of Latino Literature* "In the original *The Elements of San Joaquin*, Gary Soto defined the Chicano character as an underrepresented part of the American whole, the identity that would serve as foundation for my life's work. My parents and grandparents had crossed borders, but Soto rooted me, us, here—in the daily poverty of mejicano vecindades—on all those rural "Braly Streets" of Fresno, Brawley, and Salinas. His elements of sun, wind, stars, and field shadowed my own destiny to bring justice there, to the people of the hoe and harvest." —José Padilla, Executive Director of California Rural Legal Assistance

The stories in this book are about family relationships, friendships, self-worth, and questions of integrity.
