To Mr. Tate Howard, You are quite possibly the

most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

**Experiments on the Strength of Cement** - John Grant 1875

Back To Basics - Sophia Gunter 2020-11-19  
The BiBle, theWord of God, says they overcame by the blood of the lamb and the word of their testimony. This book is about my testimony. Revelations 12:11: And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death. This book looks into how, Prayer, The Holy Spirit, Baptism, The Word Of God, The Name of Jesus, Holiness and the full armour of God are a basic necessity for every believer and

how they help through their journey with God including deliverance. This book is about my experience of deliverance from a counterfeit church and finding home in a true, genuine church. May God give you a testimony in the Name of Jesus. This book is also a cry out to churches not to be the church that passively or ignorantly or indirectly fuels and energises the activities of wolves in sheep's clothing. It's a callout to churches and individuals to refuse to create loopholes that make it easier for wolves in sheep's clothing to deceive those seeking God. It's also an eye-opener to those that have fallen into the tricks and traps of wolves in sheep's clothing. I am one of those that were genuinely seeking God but found myself falling for the deception of wolves in sheep's clothing. I was easily deceived because of the influence of misleading church practices and concepts that have become the norm and have become acceptable, but are not fully Biblical. Because of these misleading concepts and practices in some

churches today, I thought I knew the Lord. I thought I knew what a genuine church looks like. I thought I knew what genuine Christian practices and concepts were. I was easily deceived because, as a believer, I didn't fully understand true Christian doctrine. I had a basic understanding of Jesus. I had a basic understanding of God the Father, Christ the Son, and the Holy Spirit. I knew God is one but didn't fully understand the concept of the Father, the Son, and the Holy Spirit and their roles thereof. I had a basic understanding of the Name of Jesus but didn't understand the application of the Name of Jesus versus the titles-the Father, the Son, and the Holy Spirit. I had a general understanding of baptism, prayer, the Holy Spirit, the Word of God, and other general concepts. This general understanding is what wolves in sheep's clothing take advantage of. This general understanding is what counterfeit churches take advantage of. This general understanding, makes believers, both new and

those that are ignorant like I was, to get the sense that these principles are the same among different churches, including counterfeit churches led by wolves in sheep's clothing. The reason I'm stating this, is to show how easy it is for an individual to fall into the traps of wolves in sheep's clothing. If I could get deceived-bearing in mind that I had a basic understanding of Christianity and bearing in mind that I was genuinely looking for God with all my heart and that I spent a bit of time in church and thought I knew God but actually didn't really know God-how much more easier is it for someone who doesn't even have a basic understanding of Christianity to fall into the traps of wolves in sheep's clothing? God is Spirit. Satan is spirit. Angels are ministering spirits. Demons are spirits. So how do you identify the spirit of God versus the spirit of the devil? This book gives an insight into that.

**Death Waits in the Dark** - Mark Edward Langley 2020-08-04

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm

that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a

missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
