The 5AM Club - Robin Sharma 2018-12-04

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize

their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, *The 5am Club* will walk you through: How great geniuses, business titans and the world’s wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based

practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, *The 5am Club* is a work that will transform your life. Forever.

behavior therapy (DBT), this manual provides indispensable tools for treating adolescents with emotional or behavioral problems of any level of severity. Clinicians are guided step by step to teach teens and parents five sets of skills: Mindfulness, Distress Tolerance, Walking the Middle Path (a family-based module developed by the authors specifically for teens), Emotion Regulation, and Interpersonal Effectiveness. Designed for optimal clinical utility, the book features session outlines, teaching notes, discussion points, examples, homework assignments, and 85 reproducible handouts, in a large-size format for easy photocopying. Purchasers also get access to a Web page where they can download and print the reproducible materials. See also the authors' *Dialectical Behavior Therapy with Suicidal Adolescents* (with Marsha M. Linehan), which delves into skills training and other DBT components for those at highest risk.

[The Bread Baker's Apprentice](#) -

Peter Reinhart 2011-04-06
Learn the art of bread making through techniques and recipes for making pizza dough, challah, bagels, sourdough, and more! Co-founder of the legendary Brother Juniper's Bakery, author of the landmark books *Brother Juniper's Bread Book* and *Crust & Crumb*, and distinguished instructor at the world's largest culinary academy, Peter Reinhart has been a leader in America's artisanal bread movement for over fifteen years. Never one to be content with yesterday's baking triumph, however, Peter continues to refine his recipes and techniques in his never-ending quest for extraordinary bread. In *The Bread Baker's Apprentice*, Peter shares his latest bread breakthroughs, arising from his study in several of France's famed boulangeries and the always-enlightening time spent in the culinary academy kitchen with his students. Peer over Peter's shoulder as he learns from Paris's most esteemed bakers, like Lionel Poilâne and

Phillippe Gosselin, whose pain

à l'ancienne has revolutionized the art of baguette making. Then stand alongside his students in the kitchen as Peter teaches the classic twelve stages of building bread, his clear instructions accompanied by over 100 step-by-step photographs. You'll put newfound knowledge into practice with 50 new master formulas for such classic breads as rustic ciabatta, hearty pain de campagne, old-school New York bagels, and the book's Holy Grail: Peter's version of the famed pain à l'ancienne. En route, Peter distills hard science, advanced techniques, and food history into a remarkably accessible and engaging resource that is as rich and multitextured as the loaves you'll turn out. This is original food writing at its most captivating, teaching at its most inspired and inspiring—and the rewards are some of the best breads under the sun.

Christianity and Morals -

Edward Alexander Westermarck 2013-05-02

A thorough examination of many aspects of morality through the lens of Christianity, this book, originally published in 1939, is philosophical in its approach to assessing religion. It compares moral traditions of many world religions and describes their changes over time as well. Written accessibly, this is a fascinating outlay of moral theology.

The Wretched of the Earth -

Frantz Fanon 2007-12-01

The sixtieth anniversary edition of Frantz Fanon's landmark text, now with a new introduction by Cornel West. First published in 1961, and reissued in this sixtieth anniversary edition with a powerful new introduction by Cornel West, *The Wretched of the Earth* is a masterful and timeless interrogation of race, colonialism, psychological trauma, and revolutionary struggle, and a continuing influence on movements from Black Lives Matter to decolonization. A landmark text for revolutionaries and activists, *The Wretched of the Earth* is an eternal touchstone for civil rights, anti-colonialism, psychiatric studies, and Black consciousness movements around the world. Alongside Cornel West's introduction, the book features critical essays by Jean-Paul Sartre and Homi K. Bhabha. This sixtieth anniversary edition of Fanon's

most famous text stands proudly alongside such pillars of anti-colonialism and anti-racism as Edward Said's *Orientalism* and *The Autobiography of Malcolm X*.

Improv Wisdom - Patricia Ryan Madson 2010-03-24

In an irresistible invitation to lighten up, look around, and live an unscripted life, a master of the art of improvisation explains how to adopt the attitudes and techniques used by generations of musicians and actors. Let's face it: Life is something we all make up as we go along. No matter how carefully we formulate a "script," it is bound to change when we interact with people with scripts of their own. *Improv Wisdom* shows how to apply the maxims of improvisational theater to real-life challenges—whether it's dealing with a demanding boss, a tired child, or one of life's never-ending surprises. Patricia Madson distills thirty years of experience into thirteen simple strategies,

including “Say Yes,” “Start Anywhere,” “Face the Facts,” and “Make Mistakes, Please,” helping readers to loosen up, think on their feet, and take on everything life has to offer with skill, chutzpah, and a sense of humor.

A Little History of the World

- E. H. Gombrich 2014-10-01

E. H. Gombrich's Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages.

Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page.

This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they

are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.
