Marriage and the Mystery of the Gospel - Ray Ortlund 2016-10-13
"This mystery is profound, and I am saying that it refers to Christ and the church." —Ephesians 5:32 Marriage reveals something of eternal significance. From the beginning, God designed marriage to convey a greater reality—the passionate, unfailing, redeeming love of God for sinners, the eternal romance between Christ and his bride. In this volume, Ray Ortlund traces marriage throughout Scripture—from the first marriage in the garden of Eden to the ultimate marriage in the book of Revelation—laying out a transcendent vision of marriage that dignifies our own imperfect unions as a display of the gospel. This book offers insight and hope to every married person today. Part of the Short Studies in Biblical Theology series.

The Royal Priest - Matthew H. Emadi 2022-11-29

Despite its importance in the New Testament, relatively little has been written about Psalm 110. By considering how David brought together priesthood and kingship in a single figure, Matthew Emadi uncovers the theological foundations of Psalm 110, showing that Melchizedek's royal priesthood is tied to both creation and redemption.

A Priest in the Home - James Michael Doyle 2001-01-03

This book is designed for the instruction and encouragement of men to be the leaders in their homes in both spiritual and physical matters. If men will fulfill their responsibilities as spiritual leaders in their homes, the world and the church would see an immediate revival of God's Spirit. This book will show them why they should and how to begin. Chapter 1 gives a brief history of the Old Testament priesthood and why God originally established it. Uniquely sets the stage for our New Testament priestly duties. Chapter 2 explains the rituals followed in ordaining and consecrating the priests under the Old Covenant, and relates these to our New Covenant consecration. Chapter 3 explains what the daily sacrifice was and why it had to be performed, and relates it to our daily sacrifice today of prayer, both morning and evening. Chapter 4 discusses Joshua's declaration of his entire households dedication in service to the Lord, and explains the importance of our making that same declaration today. Chapter 5 explains the five main offerings instituted by God - sin offering, trespass offering, burnt offering, grain offering and fellowship offering - and translates those into our New Testament spiritual sacrifices today. Chapter 6 describes how God is more pleased with our obedience than the sacrifices, which were set up to atone for our disobedience in the first place. Chapter 7 shows what kind of unselfish, unconditional love God expects husbands to have for their wives with a

unique tie-in to Scripture. Chapter 8 encourages men to exercise godly dominion over every circumstance in their lives by living by faith. Chapter 9 describes the spiritual warfare Satan wages against every Christian and how men as priests in their homes can protect themselves and their families. Chapter 10 focuses on one particular evil spirit which is the greatest threat to the priesthood in the home and the church, and shows how to identify it and pull down its stronghold. Chapter 11 explains the spiritual significance, and the power released, by standing firm in your faith in the face of every obstacle to your spiritual walk. It leaves men with the encouragement to do everything they have learned in this book and then just stand on God's promises that He will order the steps of a righteous man.

The Tabernacle, Temple, and Sanctuary - Dennis Herman 2016-02-04

This is the forth book in this series that began with an in-depth look at how God views details, communicates with this world, and decides what process to use. Which of course turned out to be far different than the process most of us would have used for situations similar to those Moses encountered. The first book in this series looked at God's way of doing what needs to be done, and why He created and followed His specific plan. Of course this series of books looked at aspects recorded in scripture about the Tabernacle. How the materials were collected, specific design details, who did the work, and how the Tabernacle was constructed. Much of that information is found in dozens, maybe hundreds of other books about the Tabernacle. But there are details setting this book apart from every other book written about the Tabernacle. This book takes a verse by verse, story by story, chapter by chapter look at the Tabernacle. In other words, this book presents a picture of the Tabernacle from God's point of view. Which the beginning of this series pointed out, is much different than any human perspective. The vast majority of lessons Moses taught are contained in the series of events he recorded. Those lessons are only locked away due to our ignorance and reluctance to review those events and look at them as a whole. When we do, the lessons, as well as procedure become obvious. After all, how can anyone understand any story without first reading every event contained in the book? God's way of teaching can only be summed up as common sense no one can argue with. Jesus proved that point whenever He left His accusers speechless. The same Spirit who inspired Jesus, inspired Moses. The sooner we accept the fact, God knew exactly what He was doing, and told Moses how to teach those lessons, the sooner we can begin to follow those lessons and become the priests God always needed in this world. Moses showed how Aaron was to train his sons. And parents not associated with the Levitical priesthood were expected to train their children. Moses covered a vast array of lessons showing the relationship between the priesthood and family. Moses also recorded stories showing how the enemy attacks first the outskirts of the camp, then moves his way in to attack on the family level. When we look to the New Testament, we see how the priesthood introduced during that first Passover in Egypt was revealed as a priesthood practiced and developed first on the family level, then progresses to the community level. This book wasn't intended to be a guide to the priesthood centered on the family, but close observation, careful study, prayer, and patience revealed lessons every modern priest needs. Not in traditional terms of a priest, pastor, minister, reverend, or any other label the world has cast upon it, but at the family level where it began in Eden, and Jesus restored at the cross. The organized world of Christianity may not agree with the role of the priest at the family level, but look around and decide. Look at the divorce rate. Look at a list of best selling books. Look at Internet dating sites. Look at the number of sites specializing in

Christian singles. Look at the divorce rate in churches. Look at the most popular talk shows on television. Have they helped or hurt the family structure? Has the concept of a priesthood based on a chosen few equipped with a university education worked? Now consider the fact, the vast majority of those few choice people decided to enter that field of work under the strain of an enormous debt. Would they have accumulated that debt if they knew Moses offered more than they could learn in a life time of university education? But Moses never thought of charging a dime. Moses offered a free education at God's command.

Created to Draw Near - Edward T. Welch 2020-01-07

You are a royal priest. That Reality Will Change Your Life Human beings are wired for connection. We long for deep relationships and real intimacy—both of which reflect our fundamental desire to be close to God. But all too often, whether because of our sin or our failures, we imagine that God prefers to keep his distance. In this book, Edward T. Welch shows us the purpose for which we were created: to be brought near to God as a kingdom of priests. He traces the priestly identity throughout the entire Bible, showing us how holiness leads to closeness to God. Through the blood of Jesus, God extends his invitation for all to draw near with open arms. And in his presence, we discover what it means to be truly human: known, unashamed, and wise, full of meaning, purpose, and abundant life.

The Abiding Presence - Mark Scarlata 2018

With an emphasis on the nature and importance of divine presence, "The Abiding Presence" provides a unique perspective on the overarching theology of Exodus drawing particular attention to God's revelation at the burning bush, Sinai, and the tabernacle. Exploring the rich theological themes that emerge from the final form of the narrative the commentary also reflects on how these themes were employed by New Testament authors in understanding the life and ministry of Christ.

Bridging the gap between accessibility and scholarly rigour, this commentary offers an excellent tool for ordinands, students, teachers in higher education and preachers to engage with the theology of the book in its Old Testament context as well as how its message is revealed in the New Testament and continues to speak today. Contents: 1. Introduction 2. Presence in Absence (1.1 - 2.25) 3. Presence in a Name (3.1 - 7.7) 4. Presence in Creation (7.8 - 15.21) 5. Wandering in the Wilderness (15.22 - 18.27) 6. Divine Presence, Holiness and Law (19.1 - 24.18) 7. Creating Space for the Divine (25.1 - 31.18) 8. Sin at Sinai (32.1 - 34.35) 9. The Abiding Presence and the Climax of Creation (35.1 - 40.38)

The Royal Priesthood and the Glory of God - David Schrock 2022-01-11

From Genesis to Revelation, the theme of the royal priesthood is a silver thread running through the biblical story from the garden of Eden through the priesthood of Israel to Jesus Christ—the true and better priest. It culminates with the creation of God's covenant people, called out of the nations to be his priests to the nations. In this concise treatment, David Schrock traces this theme of priesthood throughout the

Bible and displays to readers how Jesus, the great high priest, informs the worship, discipleship, and evangelism of the church.

The Tabernacle in the Wilderness - Jr. Willie J. Murphy 2017-12

The Tabernacle is the greatest of all the Old Testament "types" of Christ.

As we look closely at its furniture, its priesthood, and its feast observances, we are afforded a glimpse of God's glory, His grace, and His love for His chosen people. The sacrifices and rituals performed in the Tabernacle in the wilderness only pointed ahead to the time that God would reconcile His people to himself. It is in this study of the Tabernacle that "tangibles become teachable." It is where Old Testament realities that could be touched become New Testament principles that must be put into practice. It is through this study of the Tabernacle that we more fully understand the principle of "the actuality of the old depicts the spirituality of the new." In this study, we get to see Jesus Christ, His purpose and process of redemption, His plan of salvation, and His role as Savior. The Tabernacle is a study of God's masterpiece of typography. To come away from a study of the Tabernacle as an expert in the Tabernacle and still not understand how to approach and worship the Creator, and having not experienced Jesus during your study will basically have been an exercise in futility. The purpose of this study is not to acquire knowledge for the sake of having more knowledge. It is not to make one a Bible scholar on the Tabernacle. Instead, the purpose of this study is to reveal Jesus throughout the Tabernacle and to enhance both one's corporate and individual worship experiences. It is my sincerest hope and prayer that this book will give you a fresh perspective of worship, a better understanding of His holiness, and a renewed respect for the presence of God.

Divinity - Ev. Paul Mukendi 2017-05-31

No book has ever attempted to deal with the subject of divinity in its entirety. Here at long last is a comprehensive book dealing with divine beings in its complexity. It provides the reader with accurate and insightful knowledge concerning the concept of divinity. The author gives a clear explanation of the Triune nature of God. God is one being, manifest and existing in three distinct identities or persons, which is further discussed as being comparable with the makeup of a human being. God shares his divine nature with spiritual beings in the heavens with angels and on earth with humankind. The divine nature of God resides in all spirits. Therefore, men have God's nature in their spirits; they can communicate with and receive the things of the spiritual realm. Through sin, humanity has lost the nature of God; for all have sinned and fall short of the glory of God. The purpose of the Bible is to spiritualize humankind, because we have fallen short of the glory of God. The broad focus of this book is to bring as many believers to a stage of maturity in the knowledge of Christ.

His teaching was remarkable, not only for its clearness and depth, but also for its close adherence to Scripture, thus proving how much he lived in communion with God. The great central truths of Salvation through the cross of Christ, and of the Second Coming of the Lord, were ever present to his mind, and pervaded all his teaching. Fearless in his denunciation of what he believed to be error; intensely solemn in his warnings of the power and the consequences of sin; an unflinching standard-bearer of the gospel of God's grace, and yet most tender in ministering the truth of God to stricken ones—he was the means of strengthening the hands of many a feeble one, and of preserving from the snares of the adversary many of God's people.

Tabernacle of David Paperback Book - Dr T A Makoni 2017-10-19

The Tabernacle of David is a key revelation to national impact by the Church. It restores the place of believers as kings and priests who should not choose one function above another. They should exercise both functions for Kingdom expansion. It provides case studies from competing worldviews on how to disciple our world. Jesus said, "Go disciple nations!" So far the Church has been doing a poor job of this. I believe that this revelation is one more cog in the wheel that will help believers take their place of influence and advance the Kingdom mandate on earth. May His Kingdom come and His will be done on earth as it is Heaven!

Moses the Reluctant Leader - Ralph F Wilson 2011-04-01

Moses pioneered a Spirit-led leadership paradigm that Christian leaders do well to emulate today. Moses didn't want to be a leader. He had been raised as a prince of Egypt, but now at 80, he was content to be a simple shepherd, watching sheep on the slopes of Sinai. Then, God spoke from the burning bush and Moses' world changed. How do you lead a multitude of people through impossible situations, badgered by a storm of criticism from within the camp, and threatened by deadly peril from without? Moses the reluctant leader has much to teach both disciples and leaders today. This Bible study leads you through Moses' life covering several chapters in each lesson so you can see the big picture. It slows down, however, to examine key passages in Exodus and Numbers that give insight into God's instruction to Moses. One lesson surveys the tabernacle, the priesthood, and the sacrifices that God revealed through Moses. This book explores Moses' life in 9 lessons with discussion questions, and can be used for personal enrichment, by small groups and classes, and by teachers and preachers for sermon preparation.

The Tabernacle, the Priesthood and Their Functions - Gilbert H. Edwards 2010-09

INTRODUCTION the author is writing these documents in response To The need for a concise and simple presentation of how to properly identify and Understand The types found in the tabernacle. The framework of the study is a general knowledge of the tabernacle. The author will explain why an understanding of the tabernacle is important to Christians. The history of the tabernacle will be pointed out. The materials and construction of the tabernacle will be studied. Also, The author will discuss the Levitical priesthood And The important subject of typology. Continued studies will be explained concerning three areas of

the tabernacle and their furnishings: The outer-court, The Holy place And The Holy of Holies. There will be pointed out in this study items such as: The court of the tabernacle, The laver, The Mercy-Seat, The Ark of the Covenant, The Shewbread, The Golden Altar, The Holy Place, The Holy of Holies, The gate or the door, The priesthood And The function of the priesthood; which includes the offerings And The atonement. The altar, The offering and sacrifice, along with the atonement will be especially displayed. Also, though the tabernacle was built for Israel while in the wilderness, its believed that it was also a shadow of things to come. Because of that, there is consideration given to some study on sin, The veil and Jesus Christ. The tabernacle is scantily preached or taught in Churches today. Therefore, few people realize the great importance given To The tabernacle throughout scripture. Believers should study the tabernacle For The following reasons: 1. The study of the tabernacle is necessary for a proper understanding of God's redemptive program, which is progressively revealed throughout the Scriptures. 2. A study of the tabernacle with an understanding of it will inform sinful people about the holiness of God. 3. The study of the priesthood is foundational to an understanding of Christ's priestly ministry. 4. The Tabernacle, Temple, and Sanctuary - Dennis Herman 2015-10-18

The second book in this series deals with items used to build the Tabernacle. Who was involved, what materials were used, and how the design came together. This book does not jump around from book to book inside the Bible in the hopes of finding answers that seem to make sense. Instead, this book follows a simple rule of context stating, when a question arises, look back for the answer. This book was written on the fact, it was written by the world's greatest Teacher, Jesus. A good teacher will always provide the answer before asking the question. The Bible was written using that concept as a consistent rule. As we shall see, the answers Christ gave are often far different than many of the interpretations scattered around this world. Some of the answers may surprise you. And many of you will find yourself saying, "I knew that all along." This book begins with a description of Aaron, the high priest's clothing, and finishes with a description of the first day the Tabernacle

was assembled. In between we find descriptions of every item used to fabricate the Tabernacle, where they were located, and how they were used in services. Many of those items seem to be of little value compared to others, like the Ark. But when we follow the order God recorded them in, we see the Tabernacle in an entirely new light. We see the same lesson when we look at the people involved in fabricating every item for the Tabernacle. This book follows the sequence Moses used to record all the details about the Tabernacle exactly the way they were recorded. This fresh and stimulating view of the Tabernacle built by Moses will not only open up your eyes to all the physical features of the Tabernacle, but also the people involved, as well as the lessons each piece was meant to teach. Not the way the world views God's home, but from the view Moses saw in Heaven, and recorded for us to learn from. This book concentrates on lessons God continually taught about the priesthood God called Israel out of Egypt to fulfill. God had to somehow get the Egypt out of Israel they insisted on carrying with them. Each step on that journey through the wilderness revealed part of Egypt people clung onto and how God tried to teach them to leave those attributes behind, and accept His simple concept of becoming His kingdom of priests. This series of books shows how that wilderness journey was God's handbook for His priesthood. Which is more than dress and ceremonies. Far more than what has been written about the priesthood in the Old Testament. Journey along with Moses, Aaron, and everyone in that camp to view those lessons one at a time, and see how those lessons still apply today to God's kingdom of priests. He has made us a Kingdom of priests for God his Father. All glory and power to him forever and ever! Amen. (Revelation 1:6 NLTse)
