Republic of Latvia - International Monetary Fund. European Dept. 2018-09-05

This Selected Issues paper analyzes labor market challenges in Latvia. In the boom period leading up to the global financial crisis, the economy experienced widespread labor shortages and soaring wage growth. The bursting of the bubble led to a deep recession, high unemployment, and a sharp contraction in wages. With the economy now in its eighth year of recovery, Latvia is once again experiencing a

tightening labor market—a situation exacerbated by unfavorable demographic trends. Latvia's future prosperity will depend critically on whether it is able to address its labor market challenges. Employment protection legislation (EPL) is relatively restrictive. EPL refers to the procedures and costs associated with hiring and dismissing workers. Theory suggests that overly restrictive EPL reduces both job creation and job destruction and may slow productivity growth by raising labor adjustment costs for firms. Latvia's tightening labor market calls for reforms that make the most of the country's human resources. Reforms should aim to tackle barriers to employment, encourage more labor market participation, help Latvia's citizens build new skills, and stem the decline in the working-age population.

Mini Down Under - Donn Anderson 2009-03-02
Mini Down Under traces the history of one of New Zealand's - and the world's - best-loved cars. More versions of the Mini were available in New Zealand than anywhere else, and the launching of the iconic car in February 1960 was a larger-than-life event. In this lively and personal story, the author tracks the Mini's life in New Zealand, the connection between Kiwi racing driver Bruce McLaren and the birth of the

Mini Cooper, the heady days of competition success in the Antipodes, the local assembly and marketing of the classic original car and the eventual development into the latest generation Mini for a new century.

Yeti II - Jeff Wright 2016-10-12

YETI II starts with one horrific event that collides with a mind-numbing scenario, creating a paramount story of ultimate terror. Deep within the Alaskan wilderness, Lara Marshall awaits her husband and boy's return from hunting. When one of their horses shows up at the cabin, Lara panics. She rides out and finds Roy and her son Phillip severely mauled by a bear. Her other boy, Eric - is missing. Unexpectedly, Travis Reed - ex Army Ranger who has come to Alaska to live in the wilderness, ventures upon her cabin. What he finds is a gruesome sight. Lara is out of her mind. After settling her down, she tells him everything; especially the condition of the bear. The animal had been torn to pieces. While Travis and Lara are out searching for Eric, Whitetail gets word of the terrifying event. Her gut instinct knows what happened. She must find Eric - quick. After crossing the western mountain range where the bear attack occurred, Whitetail and Jim come

upon a young woman named Judy, running from evil men. The men captured her boyfriend Mike. They were after the gold the two discovered while working at a mining camp. Judy warns Whitetail that the mining camp is full of vultures - anyone who goes there seems to disappear. Prepare yourself for a terrifying journey as the search for Eric turns into a poisonous web of evil when Whitetail finds herself riding into Ken Barkley's mining camp all alone.

I Loved a Rogue - Katharine Ashe 2015-02-24

In the third in Katharine Ashe's Prince Catchers series, the eldest of three very different sisters must fulfill a prophecy to discover their birthright. But if Eleanor is destined to marry a prince, why can't she resist the scoundrel who seduced her? She can pour tea, manage a household, and sew a modest gown. In short, Eleanor Caulfield is the perfect vicar's daughter. Yet there was a time when she'd risked everything for a black-eyed gypsy who left her brokenhearted. Now he stands before her—dark, virile, and ready to escort her on a journey to find the truth about her heritage. Leaving eleven

years ago should have given Taliesin freedom. Instead he's returned to Eleanor, determined to have her all to himself, tempting her with kisses and promising her a passion she's so long denied herself. But if he was infatuated before, he's utterly unprepared for what will happen when Eleanor decides to abandon convention—and truly live . . .

100 Days of Sunlight - Abbie Emmons

2019-08-07

When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

Social Assistance in Albania - Harold Alderman 1998-01-01

Albania provides a small amount of social assistance to nearly 20% of its population through a system which allows a degree of community discretion in determining distribution. This study investigates the poverty targeting of this program. It indicates that relative to other safety net programs in low income countries, social assistance in Albania is fairly well targeted to the poor.

Vintage Views Along the West Michigan Pike -

M. Christine Byron 2011

Vintage Views Along the West Pike: From Sand Trails to US-31 is a pictorial history of Michigan's most famous road. The historic West Michigan Pike, originally M-11, was the first continuous, improved road between Michigan City and Mackinaw City. This route along the Lake Michigan coast opened West Michigan to automobile travel and tourism. The book depicts the adventure and romance of motoring on Michigan's most prominent early highway. Vintage postcards, photographs, maps, and ephemera illustrate this journey as you time-travel through the beautiful West Michigan landscape and quaint towns to hotels and cabins, tourist camps and state parks, and other stops along the road.

Dream Quartet - June Ballantyne 2021-09-24

I received four stories over a few months from dreams that came over a period of days and stayed in my mind until I wrote them down, and others via my subconscious. When I was sitting in my car at the beach and events happened that forced me to go home and sit at my computer, the stories came at great speed into my mind, and I typed them out and read them afterwards. The first is about a young girl who has moved to London for her new job working for the government. She meets a young gypsy who wants to tell her something. They have a connection, and events lead her to join him in the summer at the gypsy encampment, where she learns of her true family. Her life changes from there. The second story, again from a dream over a period of days, is a love story. A girl has a past that gets in the way. The third story I love. I was sitting in my car at the beach and words ran across the book I was trying to read. I drove home, and before I arrived at my door, the words were pushing their way into my head. I sat and typed as fast as my fingers could keep me going, and then it ended. I did not know what I wrote, so I read the story: an amusing plan by six young adults to have a mystery holiday, while at the same time creating fun things for each of them to do while waiting for clues at their hotel, each one filled with

mischievous. It had an amusing twist for the ending. However, that night I had to get up and go to my computer and continue with a second part to the story. I really enjoyed it. The final story was very emotional for me. There was heartache, the mystery of where your soul goes after death, how life continues on a new path, and who is in charge.

Hayden Lake - Geoff Harvey 2019-10-04

Hayden Lake: A Brief Primer describes the popular North Idaho Lake and its watershed. The book deals with matters as simple as access to the lake and its watershed. The book describes of the complex underlying geology of the lake and its immediate surroundings, the flora and fauna of the lake and its watershed and a brief history of man's impacts on the lake and watershed. Building on these elements the inner workings of the lake and watershed's hydrology, limnology, and aquatic biota is discussed. A final chapter outlines the challenges and opportunities in managing the quality of the watershed and the lake into the future.

Salvadoran Imaginaries - Cecilia M. Rivas
2014-03-31

Ravaged by civil war throughout the 1980s and 1990s, El Salvador has now emerged as a study

in contradictions. It is a country where urban call centers and shopping malls exist alongside rural poverty. It is a land now at peace but still grappling with a legacy of violence. It is a place marked by deep social divides, yet offering a surprising abundance of inclusive spaces. Above all, it is a nation without borders, as widespread emigration during the war has led Salvadorans to develop a truly transnational sense of identity. In *Salvadoran Imaginaries*, Cecilia M. Rivas takes us on a journey through twenty-first century El Salvador and to the diverse range of sites where the nation's postwar identity is being forged. Combining field ethnography with media research, Rivas deftly toggles between the physical spaces where the new El Salvador is starting to emerge and the virtual spaces where Salvadoran identity is being imagined, including newspapers, literature, and digital media. This interdisciplinary approach enables her to explore the multitude of ways that Salvadorans negotiate between reality and representation, between local neighborhoods and transnational imagined communities, between present conditions and dreams for the future. Everyday life in El Salvador may seem like a simple matter, but Rivas digs deeper, across many different layers of society, revealing a wealth of complex feelings that the nation's citizens have about power, opportunity, safety, migration, and community. Filled with first-hand interviews and unique archival research, *Salvadoran Imaginaries* offers a fresh take on an emerging nation and its people.
