Anne Of The Island is the third book in the Anne of Green Gables series, written by Lucy Maud Montgomery about Anne Shirley. Anne of the Island was published in 1915, seven years after the bestselling Anne of Green Gables. In the continuing story of Anne Shirley, Anne attends Redmond College in Kingsport, where she is studying for her BA. Plot summary Anne leaves Green Gables and her work as a teacher in Avonlea to pursue her original dream (which she gave up in Anne of Green Gables) of taking further education at Redmond College in Nova Scotia. Gilbert Blythe and Charlie Sloane enroll

as well, as does Anne's friend from Queen's Academy, Priscilla Grant. During her first week of school, Anne befriends Philippa Gordon, a beautiful girl whose frivolous ways charm her. Philippa (Phil for short) also happens to be from Anne's birthplace in Bolingbroke, Nova Scotia. The girls spend their first year in boardinghouses and decide to set up house thereafter in a lovely cottage called Patty's Place, near campus. The girls enter their second year at Redmond happily ensconced at Patty's Place, along with Queen's classmate Stella Maynard and her "Aunt Jimsie" (their chaperone), while life continues in Avonlea. Diana Barry becomes engaged to Fred Wright and Davy and Dora continue to keep Marilla busy. Midway through their college years, Gilbert Blythe, who has always loved Anne, proposes to her but Anne rejects him; although she and Gilbert are very close, she holds sentimental fantasies about true love (all featuring a tall, dark, handsome, inscrutable hero) and does not

recognize her true feelings for Gilbert. Gilbert leaves, his heart broken, and the two drift apart. Anne's childhood friend Ruby Gillis dies of consumption very soon after finding her own true love. Anne later welcomes the courtship of Roy Gardner, a darkly handsome Redmond student who showers her with attention and poetic gestures. However, when he proposes after two years, Anne abruptly realizes that Roy does not really belong in her life, and that she had only been in love with the idea of him as the embodiment of her childhood ideal. Anne is so ashamed in how she treated Roy that she feels her entire Redmond experience may have been spoiled. She returns to Green Gables, a "full-fledged B.A.", but finds herself a bit lonely. Diana gives birth to her first child, and Jane Andrews, an old school friend, marries a Winnipeg millionaire. Having received an offer to be the principal of the Summerside school in the fall, Anne is keeping herself occupied over the summer when she learns that Gilbert is

gravely ill with typhoid fever. With shock, Anne finally realizes how deep her true feelings for Gilbert are, and endures a white night of fear that he will leave this world without knowing that she does care. In the morning, Anne gratefully learns that Gilbert will survive. Gilbert recovers over the summer, bolstered by a letter from Phil assuring him that there is really nothing between Anne and Roy. After several visits to Green Gables, Gilbert and Anne take a late summer walk in Hester Gray's garden, and finally become engaged..... This heartwarming story has beckoned generations of readers into the special world of Green Gables, an old-fashioned farm outside a town called Avonlea. Anne Shirley, an eleven-year-old orphan, has arrived in this verdant corner of Prince Edward Island only to discover that the Cuthbertselderly Matthew and his stern sister, Marillawant to adopt a boy, not a feisty redheaded girl. But before they can send her back, Anne who simply must have more scope for her imagination and a real homewins them over completely. A much-loved classic that explores all the vulnerability, expectations, and dreams of a child growing up, Anne of Green Gables is also a wonderful portrait of a time, a place, a family and, most of all, love.

Anne of Green Gables (1908 Unabridged Version) - Lucy Montgomery 2016-07-07

Anne is described as bright and quick, eager to please, talkative, and extremely imaginative. She has a pale face with freckles and usually braids her red hair. When asked her name, Anne asks Marilla to call her Cordelia, which Marilla refuses; Anne then insists that if she is to be called Anne, it must be spelled with an e, as that spelling is "so much more distinguished." Marilla at first says the girl must return to the orphanage, but after a few days she decides to let her stay. Marilla feels that she could be a good influence on the girl and had also overheard that another disagreeable woman in town might take Anne in instead. As a child of imagination, Anne takes much joy in life and adapts quickly, thriving in the close-knit farming village. Her talkativeness initially drives the prim, duty-driven Marilla to distraction, although Matthew falls for her charm immediately. Anne says that they are "kindred

spirits." The book recounts Anne's adventures in making a home: the country school where she quickly excels in her studies; her friendship with Diana Barry (her best or "bosom friend" as Anne fondly calls her); her budding literary ambitions; and her rivalry with classmate Gilbert Blythe, who teases her about her red hair. For that he earns her instant hatred, although he apologizes many times. As time passes, Anne realizes she no longer hates Gilbert but cannot bring herself to admit it. However, by the end of the book they become friends. The book also follows Anne's adventures in quiet, old-fashioned Avonlea. Episodes include her play time with friends (Diana, Jane Andrews and Ruby Gillis), her run-ins with the unpleasant Pye sisters (Gertie and Josie), and domestic mishaps such as dyeing her hair green (while intending to dye it black) or accidentally getting Diana drunk (by giving her what she thinks is raspberry cordial but is currant wine).

**Looking for Anne** - Irene Gammel 2008

By any standards, Lucy Maud Montgomery's Anne of Green Gables is a stunning success. Published in 1908 (and not once out of print), Anne has sold more than 50 million copies, been translated into more than 17 languages (including Braille), and become the

focus of international conferences devoted to its interpretation. Anne has remained, as Matthew sings in the musical, "œforever young," no small feat for the spunky, in-your-face redhead who, in 2008, celebrates her 100th birthday! But why Anne? How does Montgomery's classic work pull so many international readers into the vortex of Anne's freckled face and carrotty braids? How does this little book create such enduring interest around the world? The answer is far more intriguing than any story even Anne could have imagined. In her journal, Maud's quick pen would froth up the tiniest details of her life into dramatic events, but that same pen never revealed a single word about Anne. As a result, the novel's secrets have remained sealed for over a century. Looking for Anne is the untold story of a literary classic and a writer who found inspiration in many places including the popular images of the era, such as beauty icons, fashion plates, and advertisements; a writer who quietly quarried her material from

American mass market periodicals; who consciously imitated formula fiction to create marketable stories for juvenile periodicals, religious newspapers, and glamorous women's magazines" and who ultimately, in the storm that brewed up the novel, also transcended these influences to create a twentieth-century literary classic that would conquer the world. Blending biography with cultural history, penetrating and uncensored, this is the definitive book on Anne of Green Gables. Looking for Anne captures both the spirit of Marilla's critical probing for facts and Anne's belief in the infinite power of the imagination. It is a must-read for anyone who has ever fallen under the spell of Anne with an eye. Praise for Looking for Anne: Looking for Anne takes a bold new look at Anne of Green Gables. If you have loved Anne of Green Gables and wonder how she came about, I recommend that you read Irene Gammel's book. " Kate Macdonald Butler (Lucy Maud
