**Dead Soul Syndrome** - Jay Altieri 2010-08-01  
Most Evangelical Christians only know and thoroughly believe the traditional doctrine of eternal torment in Hell for the lost and eternal bliss in Heaven for the saved. As a result, they neglect scores of Bible verses with that provide an alternative teaching. This book veers from some long-held assumptions while reinforcing others, as it humbly attempts to discover the truth of what the Bible teaches about the hereafter. Written for the serious layman, scripturally founded clergy, and open-minded scholar, Dead Soul Syndrome provides wisdom and thought-provoking insight for those interested in thinking anew about heaven and

hell.

**Biblical Studies on the Internet** - Roland H. Worth 2008-03-29

The new edition includes more than 4,800 resources available at more than 10,000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages, audio translations of the Bible in English and other languages, commentaries, dictionaries, and other resource materials including ones in Greek, Hebrew and other ancient languages. The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the

author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are cross-referenced separately in the final chapter. In adopting this concise method, the author was able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use.

JOURNEY THROUGHOUT THE BIBLE - Robert Gobelet 2018-05-18

The Bible is one continuous story, from the story of creation to the story of Jesus' future return at the end of time. And yet there are smaller, pivotal stories that make up the basic structure of this one big story. This book is a series of 52 lessons that walk you through the main stories of the Bible, 26 in the Old Testament (the time leading up to Jesus) and 26 in the New Testament (the time of Jesus and beyond). These lessons are geared especially for people who learn better through stories than teaching.

Prepare yourself as you go on a spiritual

JOURNEY THROUGHOUT THE BIBLE.

**The Road to Holocaust** - Hal Lindsey  
1990-05-01

Here is the bestselling author of *The Late Great Planet Earth*'s most shocking revelation ever: the disquieting facts about a new spiritual movement that would take over our churches and government and lead us to disaster. Just as current events are converging into the precise pattern the biblical prophets predicted would herald the return of Jesus Christ, a new movement has arisen within the Evangelical Church that denies it all, allegorizing away the clear meaning of prophecy. This movement, commonly known as Dominion Theology, reintroduces an old error that brought catastrophe to the Church and the Dark Ages to the world—the same error that founded a legacy of contempt for the Jews and ultimately led to the Holocaust in Nazi Germany. In clear, compelling language, Hal Lindsey sounds a vital warning about Dominion Theology—and explains why he believes it poses such a great danger not only to Israel but to every Christian as well.

## **Survival and Resistance in Evangelical America** - Crawford Gribben 2021-02-23

Over the last thirty years, conservative evangelicals have been moving to the Northwest of the United States, where they hope to resist the impact of secular modernity and to survive the breakdown of society that they anticipate. These believers have often given up on the politics of the Christian Right, adopting strategies of hibernation while developing the communities and institutions from which a new America might one day emerge. Their activity coincides with the promotion by prominent survivalist authors of a program of migration to the "American Redoubt," a region encompassing Idaho, Montana, parts of eastern Washington and Oregon, and Wyoming, as a haven in which to endure hostile social change or natural disaster and in which to build a new social order. These migration movements have independent origins, but they overlap in their influences and aspirations, working in tandem to offer a vision

of the present in which Christian values must be defended as American society is rebuilt according to biblical law. This book examines the origins, evolution, and cultural reach of this little-noted migration and considers what it might tell us about the future of American evangelicalism. Drawing on Calvinist theology, the social theory of Christian Reconstruction, and libertarian politics, these believers are projecting significant soft power. Their books are promoted by leading mainstream publishers and listed as New York Times bestsellers. Their strategy is gaining momentum, making an impact in local political and economic life, while being repackaged for a wider audience in publications by a broader coalition of conservative commentators and in American mass culture. This survivalist evangelical subculture recognizes that they have lost the culture war - but another kind of conflict is beginning.

*Daddy's Little Girl and Mommy's Little Boy* -

Zester Hatfield 2005  
Mr. Hatfield with all of his years of experience in marriage, parenting, family, missions and in the Church pulls no punches in calling Christ's Bride to return to His Truth (God's revealed Law-Word) regarding discipleship (men and women of faith and grace) in Manhood and Womanhood, outrageously successful spousal relations, parenting with training in romance, sexual satisfaction, love and marriage! He is calling all believers, especially men, to confession and repentance and to receive, understand and apply these Truths in the Power of the Holy Spirit as the only acceptable response in which God will revive and reform the Family and the Church in the 21st Century! Not for the weak-kneed, weak-minded or humanistically influenced, this is for Christ's Bride as we prepare for and anticipate His return! These applications of God's revealed Law-Word and His uncommon common sense in the lives of America's postmodern Christian culture and especially the promise of duplicating

of these successes for love and marriage in our children, is exciting and challenging to the point of precedent setting magnitudes. The reader will experience riveting and exciting challenges to the status quo of our present day Christian culture. "Based on interviews with more than 1000 adults nationwide, the survey discovered that less than one out of every five adults believes that children under the age of 13 are being "superbly" or "pretty well" prepared for life emotionally, physically, spiritually, intellectually or physically. Fewer than one out of every twenty adults believes that America's youngsters are receiving above average preparation in all five of those areas of life." Americans Agree: "Kids Are Not Being Prepared for Life," The Barna Group-October 26, 2004 The couples, who discover the answers to the moral morass of our postmodern Christian culture, are those who know that the future of their children is in jeopardy and that we are in a war for the control of that future! Sadly, the statistics of

broken homes, divorces, adultery, domestic violence, drugs and promiscuity - to mention only some of the ills of our culture - are almost equally divided between "Christian" families and non-Christian families. This is unacceptable as a comparison and must change. Consequently, fathers and mothers of faith and grace are those - who are and or who will experience - God's promise of victory over these fruits of our fallen nature and live a marriage experience that captures the best of God's gifts of love, sex and romance in marriage. Daddy's Little Girl and Mommy's Little Boy brings us clear evidence of just how America's Christian couples can have this victory in their marriage and how to duplicate this success in their sons and daughters.
