Problems such as: How to interpret the gospels in relation to the rest of the New Testament How to rightly handle the Jewish and Greco-Roman context of the gospels How to affirm the authority of the four gospels over the "lost gospels" This not a "how to preach" book; it is a how to preach well handbook that you'll want to reference again and again as you prepare sermons from the gospels.

This book will prove invaluable for serious students of Catholicism, and is not to be missed by the discerning collector. It is with this in mind that we are republishing this book now, in an affordable, modern, high-quality edition. It comes complete with a specially commissioned new biography of the author.

**The Gnostic Gospels** - Elaine Pagels

2004-06-29

Selected by the Modern Library as one of the 100 best nonfiction books of all time *The Gnostic Gospels* is a landmark study of the long-buried roots of Christianity, a work of luminous scholarship and wide popular appeal. First published in 1979 to critical acclaim, winning the National Book Award and the National Book Critics Circle Award, *The Gnostic Gospels* has continued to grow in reputation and influence over the past two decades. It is now widely recognized as one of the most brilliant and accessible histories of early Christian spirituality published in our time. In 1945 an Egyptian peasant unearthed what proved to be the Gnostic Gospels, thirteen papyrus volumes that expounded a radically different view of the life and teachings of Jesus Christ from that of the New Testament. In this spellbinding book, renowned religious scholar Elaine Pagels elucidates the mysteries and meanings of these sacred texts both in the world of the first

Christians and in the context of Christianity today. With insight and passion, Pagels explores a remarkable range of recently discovered gospels, including the Gospel of Thomas and the Gospel of Mary Magdalene, to show how a variety of “Christianities” emerged at a time of extraordinary spiritual upheaval. Some Christians questioned the need for clergy and church doctrine, and taught that the divine could be discovered through spiritual search. Many others, like Buddhists and Hindus, sought enlightenment—and access to God—within. Such explorations raised questions: Was the resurrection to be understood symbolically and not literally? Was God to be envisioned only in masculine form, or feminine as well? Was martyrdom a necessary—or worthy—expression of faith? These early Christians dared to ask questions that orthodox Christians later suppressed—and their explorations led to profoundly different visions of Jesus and his message. Brilliant, provocative, and stunning in

its implications, *The Gnostic Gospels* is a radical, eloquent reconsideration of the origins of the Christian faith.

**Four Portraits, One Jesus, 2nd Edition** - Mark L. Strauss 2020-03-24

To Christians worldwide, the man Jesus of Nazareth is the centerpiece of history, the object of faith, hope, and worship. Even those who do not follow him admit the vast influence of his life. For anyone interested in knowing more about Jesus, study of the four biblical Gospels is essential. The second edition of *Four Portraits, One Jesus* has been updated throughout to meet the needs to today's students. It is a thorough yet accessible introduction to the four biblical Gospels and their subject, the life and person of Jesus. Like different artists rendering the same subject using different styles and points of view, the Gospels paint four highly distinctive portraits of the same remarkable Jesus. With clarity and insight, Mark Strauss illuminates these four books addressing the following important areas:

First he addresses the nature, origin, methods for study, and historical, religious, and cultural backgrounds of the Gospels. He then moves on to closer study of each narrative and its contribution to our understanding of Jesus, investigating things such as plot, characters, and theme. Finally, he pulls it all together with a detailed examination of what the Gospels teach about Jesus' ministry, message, death, and resurrection, with excursions into the quest for the historical Jesus and the historical reliability of the Gospels. This textbook together with its workbook, video lectures, and laminated sheet gives students everything they need for a thorough and enriching study of Jesus and the Gospels.

### **The Gospel According to Mark** - 1999-01-01

to be explained secretly to his followers. With an introduction by Nick Cave

Catena Aurea, Vol. 1 - S. Thomas Aquinas

2017-06-27

Excerpt from Catena Aurea, Vol. 1: Commentary on the Four Gospels, Collected Out of the Works of the Fathers; St. Matthew, Vol. II John should be so far a prophet, as to acknowledge Christ, and to preach remission of sin; but that like a pious prophet, he could not think that He whom he had believed to be He that should come, was

to suffer death be doubted therefore though not in faith, yet in love. SO Peter also doubted, saying, This be far from Thee, Lord; this shall not be unto Thee. Chrys. But this seems hardly reasonable. For John was not in ignorance of His death, but was the first to preach it, saying, Behold the Lamb of God, that taketh away the sins of the world. For thus calling Him the Lamb, he plainly shews forth the Cross; and no other wise than by the Cross did He take away the sins of the world. Also how is he a greater prophet than these, if he knew not those things which all the prophets knew. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. **The Four Gospels as Historical Records** - 1895

*The Ministry of Jesus Christ, the Messiah* - Glenn Brunner 2018-06-08

The Ministry of Jesus Christ, the Messiah is an abridged compilation of the four gospels one continuous writing containing the words of Christ so the reader can read and study the entire ministry of Jesus Christ in one continuous fluid document. Also included in appendices are biblical presentations of Creation and the Flood

and other important Christian statements of belief, such as the Apostolic and Nicene Creeds. The following four Bible study topics are included: 1. The Lords Prayer 2. Messiah by George Frideric Handel 3. Precepts of the Christian faith 4. Joy, peace, and contentment Modern day English translations of the four Gospels were used or referenced by the author. When the Apostles spoke of the same event, their words were blended into one account. The author worked to ensure thought or meaning from Scripture containing a description of an event was not lost. If not absolutely clear that the same event was being written about, or if the event could not logically be taken out of context of the particular book, then no blending of text was done. Footnotes help explain key thoughts presented in Scripture because translation from the original Greek does not often lend itself to the modern English language nor common grammatical form, hence the many different translations available today. Regardless of

whether a translation uses a very literal translation of Greek or a simpler paraphrase, the original meaning or thought the Lord intended can be unclear without reference to other Scripture.

*The Four Gospels* - Burnett Hillman Streeter

Catena Aurea - St. Thomas Aquinas 2013

In the 13th century, Pope Urban IV, desiring that scholars of his day be better acquainted with the ideas of early Christians, assigned Saint Thomas Aquinas to compile a commentary on the Gospels based on the teachings of the Church fathers. The result is the *Catena Aurea*, or "Golden Chain." This eight-volume set, composed of analyses of the Gospels of Matthew, Mark, Luke, and John, gives readers a deeper insight into how the original teachers of Christianity read and understood Scripture. In the *Catena*, each Gospel is presented chapter-by-

chapter and verse by verse alongside relevant Biblical passages and critical analysis by such Church luminaries as Augustine and the Venerable Bede. Of particular interest to students of religion, seminarians, and clergy, the *Catena* is a classic of Catholic scholarship that will serve as a useful and easy reference.

Volume I, Part I: St. Matthew contains "The Gospel According to Saint Matthew," Chapters 1-10, plus a preface to the series by translator JOHN HENRY NEWMAN (1801-890).

*The Greek Testament, V. 1, The Four Gospels* - Henry Alford 1894

The Epistles and the Apocalypse - Averky Taushev 2018-04-01

This third and final volume of Archbishop Averky's New Testament commentary elucidates the moral and pastoral aspects of the Pauline and Universal Epistles and the Book of Revelation. Discussion of each New Testament book is preceded by an analysis of the

authorship, time and place of composition, and major themes within. The final commentary on the Apocalypse, in which Archbishop Averky relies heavily on the ancient commentary of St Andrew of Ceasaria, is provided in the popular translation by Hieromonk Seraphim (Rose), together with the Scriptural text itself. The author's approach is thoroughly patristic, constantly turning to the Church Fathers for the elucidation of one or another particular verse, especially to the commentaries and expositions of St John Chrysostom, Blessed Theophylact of Ochrid, Blessed Theodoret of Cyrus, and most particularly to the voluminous Scriptural commentaries of St Theophan the Recluse. The commentary has been copiously annotated with citations to primary sources, which did not appear in the original text. Archbishop Averky's commentaries on the New Testament have become standard textbooks in Holy Trinity Orthodox Seminary and have been published in Russia to widespread acclaim. They are an

indispensable addition to the library of every student of the New Testament.

**The Harmony Of The Gospels (Annotated Edition)** - St. Augustine of Hippo 2012

This is the extended and annotated edition including \* an extensive biographical annotation about the author and his life Book I. The treatise opens with a short statement on the subject of the authority of the Evangelists, their number, their order, and the different plans of their

narratives. Augustine then prepares for the discussion of the questions relating to their harmony, by joining issue in this book with those who raise a difficulty in the circumstance that Christ has left no writing of His own, or who falsely allege that certain books were composed by Him on the arts of magic. He also meets the objections of those who, in opposition to the evangelical teaching, assert that the disciples of Christ at once ascribe more to their Master than He really was, when they affirmed that He was God, and inculcated what they had not been instructed in by Him, when they interdicted the worship of the gods. Against these antagonists he vindicates the teaching of the Apostles, by appealing to the utterances of the Prophets, and by showing that the God of Israel was to be the sole object of worship, who also, although He was the only Deity to whom acceptance was denied in former times by the Romans, and that for the very reason that He prohibited them from worshipping other gods along with Himself, has

now in the end made the Empire of Rome subject to His Name, and among all nations has broken their idols in pieces through the preaching of the Gospel, as He had promised by His prophets that the event should be. Book II. In this book Augustine undertakes an orderly examination of the Gospel according to Matthew, on to the narrative of the Supper, and institutes a comparison between it and the other Gospels by Mark, Luke, and John, with the view of demonstrating a complete harmony between the four Evangelists throughout all these sections. Book III. This book contains a demonstration of the harmony of the Evangelists from the accounts of the Supper on to the end of the Gospel, the narratives given by the several writers being collated, and the whole arranged in one orderly connection. Book IV. This book embraces a discussion of those passages which are peculiar to Mark, Luke, or John. John's Wisdom - Ben Witherington 1995-01-01 Jesus as depicted in the Fourth Gospel is

remarkably dissimilar to the Jesus found in the synoptic gospels. In this book, Witherington places the Gospel of John within its proper literary, historical, social and theological contexts. What emerges is a compelling argument that the Gospel of John has an agenda for mission, in addition to concerns for discipleship and community life.

*Supernatural Religion: The Synoptic gospels, pt. 2. The Fourth gospel* - Walter Richard Cassels 1879

*The Resurrection of the Messiah* - Francis J. Moloney 2013

"Taking inspiration from a different interpretative tradition, the classic work of Raymond Brown on the birth and death of the Messiah, Francis Moloney has provided a comprehensive narrative reading of the resurrection stories of all four Gospels, in close association with their passion narratives, to which they are the stunning response. The book

traces how the four evangelists' different telling of the resurrection stories has "narrated" the action of God for Jesus, and the action of God and Jesus for all Christians in and through the early Church's belief and experience of the resurrection of Jesus. The final chapter discusses what we can recover about the events of Easter day and, more importantly, what these events meant then, and continue to mean today." - back cover

[Why Four Gospels?](#) - A. W. Pink 2017-11-14  
Why does the New Testament contain four Gospels—four different accounts of the same Man? And don't the Gospels contradict one another? Masterful Bible teacher Arthur Pink explains how the four Gospels do not contradict but rather collaborate in order to provide us with a deeper, multifaceted description of the person of Jesus Christ. In Matthew, we see Jesus as Messiah and King of the Jews. In Mark, we

are introduced to the Servant of Jehovah. In Luke, we see the human Jesus as the Son of Man, Adam's descendant. Finally, in John, we thrill to the supernatural Jesus who is undoubtedly the Son of God. No believer can truly know Jesus without having an understanding of the four distinct roles He fulfilled in His time on earth. Pink's in-depth look at the four Gospels will boost your faith and bring you ever closer to a Savior who is fully human, fully divine, and above everything, Lord of all.
