**Male Chastity Keyholder Guide** - Mistress Dede 2015-01-08

There is a lot of variety in the world of fetish and kink, with limitless possibilities for creativity in sensual play. Many people unfamiliar with this

lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their

relationship, with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase "male chastity" probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this be taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a

valuable tool for the modern dominant woman, and excellent for contemporary "tease and denial" games. Exploring male chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key.

*The Transgender Guide* - Mistress Dede  
2015-01-06

Transgender is not the same as being transsexual. A transsexual was born one gender and transitions to the other. A transgendered person can be a man who is married to a woman. This man may dress in women's clothing, expressing himself as a woman at times. Gender has its roots in the mind, if you will. The Transgendered person doesn't relate only to the sex they were born into. They may not feel comfortable in identifying with a sexual identity at all. They can see themselves not as a man or woman, just as a human. Transgendered people

have their identity in many facets. A transgendered woman may dress like a man. She may feel a stronger foundation within a suit and tie. She can be gay, straight or bi-sexual. The confinement of a term at all may seem limiting to a transgendered person. Can we just be who we are, not what our sex makes us?

### **The Ultimate Woman's Guide to Male**

**Chastity** - Mistress Dede 2015-11-23

If you are reading this book, you are most probably a woman interested in broaching the matter of male chastity. You see, this book is all about male chastity, in other words - self control. The question is, how exactly, can this male chastity thing help you and your partner's sex life? You are probably confused and you don't have to worry, for you are not alone in this. This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now, but could possibly save your sex life. You will learn what the male chastity subject is all

about; the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship. At first, the idea of locking your partner's male organ in a device seem strange to you. But overtime, you will find that your partner sees this thing in an altogether new perspective, something that is attractive and quite exciting for him. To some, forceful prevention of erection and orgasm may definitely seem odd, but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. This is because most of those writings are written by men as an outlet to let out their kinky fantasies. It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women's tastes. You are likely to get turned off by these, thinking that the whole male chastity thing is not for you. However, in this book we assure you that the subject of male chastity is

explained and directed to helping you understand the entire concept in full light. It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner. **Why Not?** - Barbara Deloto 2018-09-10

Male feminization for fun and growth? Why not?  
It's a question that critical thinkers ask about  
many subjects. Everyday there's someone who  
sees something and instead of saying no they  
ask, why not? What if the Wright brothers  
agreed with everyone that man can't fly? What if  
Henry Ford believed like everyone else that  
there could be no mass production? What if  
Galileo gave up on the idea that the world is  
round and not flat like the Church wanted him  
to? If something can be beneficial for you or  
others, but the accepted societal view says it's  
wrong, does that really make it wrong? Male-to-  
female crossdressing is one of those things.  
Sometimes viewed as an unmanly due to societal  
paradigms and beliefs and called a deviant  
behavior, it's carried a stigma with it. Does that  
mean it shouldn't be done? Women are allowed

to cross-dress; it has become commonplace for women to wear men's styles of clothing, yet men are forced to stay in men's clothes. Dresses, skirts, stockings and all the feminine accoutrements have fallen to the wayside for most women today, and it's perfectly acceptable for them to wear flannel shirts with jeans, or sweatpants with sneakers or flat shoes. Why not? Why shouldn't a male be offered the same flexibility? Until the time comes when open-mindedness is more prevalent, and paradigms and beliefs are changed, it's still possible to do in secret or with likeminded people and groups, and the benefits are just as great. To balance the individual's masculine and feminine energies and activate the rise on Maslow's hierarchy of needs is not a trivial thing, and that is just one of many benefits it brings. If you, a person close to you, a spouse or partner, or a friend of yours is involved in male-to-female crossdressing, has an interest in it, or is bored and wants to try something new and exciting, then drop the veil

of illusions by creating a new feminine illusion and thrive. Read on and see what benefits can follow in this thoughtful short read that just might improve your or someone else's life-or at least help you understand it better. Look inside now.

A Modern Couple's Guide to Female-Led Relationships - Mistress Dede 2015-02-08

Nowadays many people are becoming more and more aware to the concept that not all relationships are the same. What works for some people certainly does not suit others. Love and affection need not be confined to labels and strict definitions, because the spectrum of what constitutes a relationship is broader than many people imagine. The foundation of a great relationship is built on a solid platform comprised of love, trust, respect and above all, communication. But there are so many different ways of expressing these things, and no relationship is "one size fits all." For many people, the phrase "traditional relationship" conjures an image of a subordinate woman, with the man ruling the roost. While this is no longer

seen as an absolute standard, it still has resonance with lots of people. And while a large majority of people prefer a more egalitarian approach to relationships, that doesn't work for everyone either. Female led relationships are often misunderstood, but are more common than you might think. In this type of relationship, the woman is the dominant partner and her partner is the willing subordinate. We'll be exploring the dynamics of this type of relationship in this guide, and the various aspects and benefits it has to offer. You may find yourself more intrigued than ever before.

How To Feminize Your Body - Martine M Song 2020-02-17

The topic is male-to-female transformation. Some people call it makeover, that works too. The text is written predominantly from the view that you are new to crossdressing and feminisation but want to develop a female persona of some kind be it permanent or just for a temporary indulgence. If you are an old hand

then you may also find a few helpful tips or insights that will further enhance your look, style, or dressing technique. An assumption is that you were not socialised as a girl. As a result, we need to revisit and spend time on all the little things females seem to find so natural and take for granted. Getting in touch with your femininity is a mixture. An ensemble if you will of lots of things. When you see an ultra-feminine woman, the way she acts and dresses, the way she walks and talks, and oozes sensuality you know there is something more going on than just putting on a dress. Part I considers what you want to achieve with your girl time. We look at what makes us physically one sex or another and how flexible and open this is to change. Then we move onto how to treat your body right and indulge in all those little things that make a woman feminine. In Part 2 we go on to consider ways to sculpt or contour your body so that it remains in proportion but more idealistically female. We look at boobs, butts, and tucking. In

Part 3 we move onto dressing the body. We consider the wonderful world of sexy lingerie and underwear and how the right materials and textures can give you that lovely feminine feel. Then we look at clothes and how the right cut and hang of materials as well as patterning and combinations can flatter your figure. And, finally we consider movement and deportment. In particular, how to walk in those ultimate expressions of female sexuality your heels. \*\*\*The material is arranged into nine helpful chapters that not only produce a more female appearance but also develop feminine traits and work on your socialisation into female ways. We also give you a shopping list for the things you need at each stage. Chapter 1 looks at why people dress and the idea of being feminine. Chapter 2 considers the limits of biology and how easy it is to physically change from male to female. Chapter 3 looks at ways to pamper your body and get that healthy smooth skinned look. Chapter 4 considers body types and how you can

use foundation wear to get your female proportions just right. Chapter 5 is all about breasts and how to design your perfect female boobs. Chapter 6 does the same for bottom shapes and how to pad and tuck to get that all girl profile. Chapter 7 looks at lingerie and the essentials for your intimate wardrobe. Chapter 8 shows you how to dress right for your body type and get the best look you can with your proportions. We consider cuts of clothes and the type of shoes that every girl should know about. Chapter 9 is all about posture and deportment. We show you how to walk properly in your heels and develop the essential movements that will mark you out as female.

**Sissy Boy: Feminized and Loving It** - Alyson Belle 2018-03-10

Hot, young people all over the world are in the middle of modern a sexual revolution: Unlike the older generations who came before us, we're blurring the lines of gender and identity in ways that are affirming, sexy, fun, and exciting, both in and outside of the bedroom. This revolution isn't about abandoning traditional notions of masculinity and femininity--what fun would that be? No, this is about expanding those definitions. Why should women get to be the only ones who feel attractive and desirable? Why should men get to be the only ones who feel powerful and dominant? Why should what we like to do in the privacy of our bedrooms define who we are as a person? This book by bestselling romance and erotica author Alyson

Belle is your blueprint and permission slip to play with gender roles, express your deepest sexual desires to your partners, explore your fantasies, and not feel the least bit ashamed about it. Why let your fantasies remain fantasies? There are people out there who would love to play with you in exactly the way you want. Each of the book's chapters will explore a different facet of your feminization and femdom play, as described below. Chapter 1: Power and Consent This chapter discusses dominant and submissive roles in sex and introduces some important concepts for any kinky bedroom play, including responsible use of power, enthusiastic consent, defining and respecting boundaries. Chapter 2: Female Domination This chapter provides an introduction for women who will be taking a dominant role in their bedroom play (femdom), explains how to develop the self-confidence and mindset necessary to play the domme in the bedroom, and suggests actual activities and methods to play with a submissive

partner. Chapter 3: Feminization This chapter provides specific, detailed advice for feminizing men, including crossdressing and clothing selection guidance, make-up tips geared toward making even the most masculine men as feminine and pretty as possible, and more ideas for fun activities you can try while feminized. Chapter 4: Humiliation and Punishment This chapter introduces humiliation and punishment as possibilities for your bedroom play and covers how to decide whether they're right for you and your partner. Responsible BDSM play including the proper use of "safe words" is discussed. Chapter 5: The Talk This chapter provides readers with strategies and tools to talk to their partner, whether male or female, about their desire to try feminization and femdom play. It discusses commonly asked questions, such as "Are you gay?", "Are you transgender?", and "Why is our sex life now not good enough?" so that readers can reflect and prepare to have an open, honest conversation about those same

topics with their partner. It also provides guidance for cases where your partner has no interest in participating in your kink, and suggests methods for finding new partners who may already be comfortable with the idea of feminization and femdom play. Chapter 6: Advanced Maneuvers In this chapter, readers will learn how to satisfy their exhibitionist and multi-partner fantasies in ways that are safe, legal, and considerate. No matter who you are, what stage of your life you're at, and whether you're an experienced kinkster or a blushing newbie taking her first kinky steps with her partner, you'll find something of value within these pages. **Sex Change** - Mistress Dede 2015-01-09

"Sex change" is a very broad term that refers to the process of a person or animal changing sex.

This occurs naturally in some species of animals, but more often the term is used to mean sex reassignment surgery. The term can refer to either male sexual characteristics being substituted for female ones, or vice versa. The male to female substitution is much more common because it is by far the simpler of the two. Intersexual individuals may undergo some form of sex change, most often as children, to take on a clearly defined gender identity. In adults, the process is usually taken by transsexual individuals. Transsexuality occurs when a person's brain identifies with one gender (either male or female) but his or her body's anatomy displays the sexual characteristics of the opposite role. This is called Gender Identity Disorder and undergoing the sex change process is one way to correct this condition. This is a very large and complex topic that has been broken down into five subtopics for this e-book. In the following e-book we will survey the various procedures, not all of them medical, that

can come under the heading of "sex change;" take a more in depth look at the sex change operation; cover the differences in making the transition from male to female versus female to male; and look at the topic of forced sex changes that still go on in some countries. While this is still a very controversial subject, it is becoming more and more accepted that Gender Identity Disorder is a medical birth condition that leads to confusion, depression, and frustration in individuals who are born with it. Using therapy or medical procedures to bring the body and brain back into agreement with each other often allows these individuals to lead fuller, happier lives. It is our hope that at the end of this short e-book you have a fuller understanding of this topic, and a broader knowledge base on which to build your own opinions.

The role of the male gender includes courage, strength, testosterone, coordination, and male libido, while in the case of sissy boys all these characters are missing. An examination distributed in 2015 proposes that the terms are uneven in their ability to deride: sissy is quite often disparaging and passes on more noteworthy seriousness, while spitfire seldom causes as much concern yet additionally evokes strain to adjust to social assumptions. **Feminist City** - Leslie Kern 2020-07-07

Feminist City is an ongoing experiment in living differently, living better, and living more justly in an urban world. We live in the city of men. Our public spaces are not designed for female bodies. There is little consideration for women as mothers, workers or carers. The urban streets often are a place of threats rather than community. Gentrification has made the everyday lives of women even more difficult. What would a metropolis for working women look like? A city of friendships beyond Sex and the City. A transit system that accommodates mothers with strollers on the school run. A public space with enough toilets. A place where women can walk without harassment. In Feminist City, through history, personal experience and popular culture Leslie Kern

exposes what is hidden in plain sight: the social inequalities built into our cities, homes, and neighborhoods. Kern offers an alternative vision of the feminist city. Taking on fear, motherhood, friendship, activism, and the joys and perils of being alone, Kern maps the city from new vantage points, laying out an intersectional feminist approach to urban histories and proposes that the city is perhaps also our best hope for shaping a new urban future. It is time to dismantle what we take for granted about cities and to ask how we can build more just, sustainable, and women-friendly cities together. [How To Feminize Your Face](#) - Martine Song  
2020-10-23

A successful male-to-female makeover relies on mastering the four pillars of feminization: face and hair, body and movement, fashion or style, and voice. This volume covers the first of these foundations and dips into ideas of fashion and style. Specifically, how to use makeup and hair styling to feminize your face. A starting assumption is that you are completely new to

feminization. We start right back at the beginning and develop all those little techniques that females learn from their moms, aunts, sisters, girlfriends or by experimentation to develop from gauche girls into confident classy women. All the differences between male and female faces and how to overcome them are explained. We will also consider the use of accessories like ribbons, clips, and jewellery to pretty-up your look and bring out your femme persona. Every woman has a certain elan. A style, energy, and enthusiasm for life that feeds into her look and personality. The sum is greater than the parts. If you have ever been beguiled by the laugh or smile of a woman, the language of her eyes, the way her hair falls across her face, or how she tucks it behind her ear, you will know that putting on your face is so much more than just slapping on some lippy, eyeshadow, and a wig. If you are already an established dresser or in transition, stripping back your technique to the basics is a good way to identify

and overcome difficulties or refresh a tired look. Read these pages with a new eye and you will find some additional tricks, tips, and further insights to perfect your own method. Likewise, if you are a sympathetic female partner or a mistress interested in feminizing your man, you will be able to complement what you know already by taking into account the differences between the male and female face. Indeed, why not just give your beau this book as part of their training so they can learn for themselves. The book is divided into three parts each with a specific purpose. In Part 1 we look at facial structure, consider what makes a face appear male or female, and the types of corrective surgery available. We also get you equipped with all the products and accessories needed to make up your face. Prettiness and delicacy are very subjective, but we will look at what generally makes a face attractive. A large part of this is the configuration or relationship between various elements of your face. In Part 2 we

consider all the techniques you need to mask your most male attributes, make up your eyes and mouth, and ways to contour your face so that it looks softer and more feminine. We use the information in Part 1 to work with your face type and produce a softer female version. We will call this your girl face for easy reference. Part 3 is all about hair and hair styling. We cover the different types of hair pieces like wigs and extensions and look at different hair styles and accessories. After that we take a tongue-in-cheek but nevertheless useful look at what hair says about your girl personality and include some helpful tricks and tips for the more mature dresser.

Do you want to feminize a male, or you as a male want, or have been told to, become feminized? Feminization: 1) To give a feminine appearance or character to. 2) To cause (a male) to assume

feminine characteristics. This is not for those who wish to permanently change their gender, but rather for those who wish to feminize temporarily, though sometimes repeatedly and regularly, in order to proficiently crossdress as a woman. This feminization guide is for a male by gender who, may, or may not be, a “real” man by some opinions, but nonetheless a male, who has chosen, or has been told to, or is being coerced into, becoming feminine in appearance and character. This guide is to be given to those who have been tasked with becoming a feminized male as part of a process to feminize them, or purchased for use by males who wish to feminize themselves. It doesn't have any magic potions or formulas, special makeup or fancy tools, use any drugs or surgery. It does cover all the aspects of eliminating the 'man markers' that set males aside from women, and make a male less feminine than they could ultimately be. It will demasculinize anything that may have had a masculine overtone with the male. It will also aid

the feminized male to feel more sensual and sexy in a feminine role. The guide is short - about 15.000 words and around sixty pages, but covers eliminating the things that keep a male from becoming as fully feminized as much as their male body and characteristics allow. After the male has read this, acted upon this information fully, and practiced, he will be the best feminized male he can be. He will reach crossdressing perfection as a male to female (MTF) cross dresser. He will have the routines of maintenance and upkeep of the feminized male body, which will keep him ready, and most likely anxious, to fairly quickly, crossdress at the request of their wife, mistress, or whim of his own. Whether the reason be from femdom, a wife led relationship, female led relationship, cuckolding, cuckoldry, a hot wife, male chastity, forced crossdressing, forced chastity, female domination, submissive training, sissy training, or purely their own desire to become feminine, a diligent male student who incorporates the

information in this guide with passion and drive will become the perfect crossdressing male, as fully feminized as possible. Upon following the elements in this guide, the feminized male will be able to proudly display how feminine he has become to anyone he, or the one who coerced him, choose to. Should this be a singular undertaking, the individual will be able to see and feel the difference in the degree of feminization they have achieved after practicing and perfecting the elements, and thus, bring greater pleasure and satisfaction to the resulting feminization. This will be time consuming and will require dedication and diligence in order for a male to feminize to his best. If you are purchasing this for yourself, or someone else, beware of that in order to allow the necessary time and resources. Look inside now. Buy yourself a copy, or give one to a male you want to feminize. It is a small, but valuable investment in a male's journey toward maximum feminization.
