*Terrace VI* - Sarah L Johnson 2021-07-07  
Welcome to the Sixth Terrace of Dante's tower of Purgatory, serving up sins of gluttony in an eternal banquet. On this carefully curated menu you'll find children stuffing themselves to death, a forgotten saviour gorging on cheeseburgers between bareknuckle rounds on the roadhouse circuit, wealthy socialites revel in an orgiastic alien feast, and the end of days as seen through

an apocalyptic carnival of indulgence. Excessive consumption also manifests in darker hungers, for cruelty, for distraction, or possession. A pair of grifters bent on having it all chase a Scottish leprechaun across the English countryside, a newly deceased addict vies for the attention of Heavenly Higher Ups, degenerate poker players gamble with unforeseen currency, and when an old lady swallows a fly, it's just the beginning...

Featuring nine stories of grotesque appetite and glorious excess from a gory gaggle of creators, they say too much of anything is poison, yet these condemned swallow each piece of forbidden fruit while reaching for the next, never to be sated. They can't help themselves. Can you? Stories and art by: Mike Thorn (Darkest Hours, Shelter for the Damned) Robin van Eck (Rough) Eddie Generous (Camp Summit, What Lurks Beneath, Behemoth Rising) Julie Hiner (Final Track) Konn Lavery (Mental Damnation Series, Rutherford Manor Series) Cam Hayden (Futility, Red Flag) Sarah L. Johnson (Suicide Stitch, Infractus) Robert Bose (Fishing with the Devil)

Jesus and the Samurai - Michael Zomber  
2009-11-05

By 250 AD, Christianity had spread throughout India and China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a

society founded on love and compassion for their fellow man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later Christianity was officially proscribed and Christians faced execution for openly practicing their faith. Jesus and the Samurai tells their fascinating story with facts drawn from ancient and modern sources.

*Beautiful Flower* - A L Reynolds 2013-09-30  
Life has gotten a bit boring for Zuria Johnston, and with the exception of her Friday nights out with her best, flamboyant friend, Chase, and her job as a guidance counselor, she seems to have hit a rut. After a rough break-up with her longtime boyfriend, Manuel, her prospects of finding a man also seem pretty bleak. That is, until she connects with her poetic crush, Amir, and he opens her eyes to a world of romance and

passion that she didn't know existed. She discovers what it feels like to be loved as a real woman should, and to overcome the difficulties of being a young, strong, black woman who is afraid to have her heart broken for a second time. The thrill of new romance seems to fill the emptiness in her life, but her old life isn't as easy to escape as she first thought. Mistakes that she thought she had left behind threaten to undo everything that she has begun to build in this new chapter of her life, but she isn't the only one battling the demons of her past. The poetic and passionate Amir harbors some dark secrets of his own, and when the truth begins to come out, the connection between her two lovers, old and new, may end her short reign of happiness before it ever fully begun. With love from one man and sworn vengeance from another, Zuria is trapped in the middle, trying desperately to make her way through the tangled troubles of family, love, and happiness. The problem is, she might lose more than the man of her dreams. As

this complex and spellbinding story reaches its peak, Zuria will have to risk mind, body, and soul for herself and the people she loves, but will that final risk mean achieving the life she'd always dreamed of? Or will she end up making the ultimate sacrifice?

**Prince2 Foundation Training Manual** - Van

Haren Publishing 2017-01-15

Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation

exam.

*How to Dunk Like a Pro* - Jason Wilhelm  
2020-03-04

If you one of the many people who struggle to reach the rim and dunk over their opponents, don't get disheartened - because what many don't realize is that dunking a basketball requires more than on-court skill alone. And it is certainly not determined by either your height or your age. In fact, our ability to dunk is dictated by our muscle strength, muscle power, and our vertical jump performance. Which in itself is an extremely positive thing, because these factors are not necessarily inherited, nor are they determined at birth. Rather, each of these factors can be trained independently in the gym and on the court, allowing us to improve our vertical jump height, ensuring we can dunk with ease - irrespective of either our age or our height! In the following book you will find: Successfully implemented methods of strength

training that will build the foundation for your dunking ability Power training methods to improve your muscular power Jump training methods to rapidly increase your vertical jump and dunking capacity Information pertaining to jump technique and dunking performance that has been honed through decades of work Dietary information to ensure you get the most out of your training What can you expect from this book? This book is essentially the written culmination of my many years working with basketball athletes. The results of this learning experience and the processes I have used extensively to maximize athletic performance are summarized in this book, ready for you to apply immediately into your own training. Now I must admit that this book isn't going to do the work for you, nor is it some sort of 'quick fix'. Because let's face it, when it comes to anything worthwhile, a quick fix doesn't exist. But what this book will give you is the information integral to improving vertical jump height and dunking

ability. With this in mind, I have not only outlined in depth why each of these physical qualities is important but also what training methods are best to improve them. This has further been summarized in a thorough 8 week training program - involving strength training methods, power training methods, and jump performance training techniques - that will lead you to a massive vertical jump, and some crazy dunking ability. Now don't get me wrong, this program won't be easy -but it will be worth it. Through a combination of hard work, dedication, and some well established AND scientifically proven training methods, you can see some huge improvement in your performance. While I can provide the HOW you need to provide the DO, so don't keep waiting - become an absolute beast on the court and take the first step to improve your dunking ability today!
