*The Alpha's Mate (Huntsville Pack Book 1)* - Michelle Fox 2016-08-31

What readers say about Michelle Fox's werewolves: "I love how well the characters are developed and rounded out - I feel like I know about these characters before they jump in the sack - which for me is a HUGE deal!" "Fox adeptly weaves several enchanting love scenes into her romance framework. Best of all, they actually add to the story." "This is the third shifter story I've read from this author, and I love the edge of humor, the way she introduces the problems of the pack, and the wolfish behavior that sneaks into the human interaction." Little known fact about being a werewolf: There are always wolves at your door and some of them are up to no good. Chloe Weiss' dreams have finally come true: She's a null no more, her wolf has finally come. She's now a full member of her pack in the remote Appalachian 'weretown' of Huntsville. Even better, she's mated to the pack's next alpha, Jackson Swift. However, now that she's on the

other side of her happy ending, things aren't quite as rosy as she'd expected. The women of her pack resent her status as alpha's mate and suddenly there are rumors that Chloe is an Omega, a werewolf so weak they are banned from ever mating. Worse, an old friend of Jackson's blows into town full of disapproval...and competition. It seems no one likes Chloe except Jackson. Then women start disappearing, violently kidnapped from their homes and never heard from again. There's a killer on the loose in the small town of Huntsville, and the one wolf he'd do anything to have is Chloe. Now Chloe will have to fight...for Jackson, her place in the pack, and her life. This novel is a sequel to the bestselling *To Bring Her Wolf*.

"I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other?

#### *Once Upon An Alpha - Z Time*

I was walking through an unknown foggy forest when I spotted a field of wildflowers. My feet had a mind of their own as they led me to wander through the flowers. I nonchalantly dragged my hands over the flowers. It was a beautiful and serene sight. I deeply inhaled the sweet scent of the flower and gave a little shudder of bliss. I closed my eyes and just absorbed the moment wanting to remember it. Suddenly the sounds of paws hitting the forest floor overwhelmed me. Then the forest was ignited with flames. Everything glowed vibrant oranges and reds as heavy smoke smothered me from above. I threw myself to the ground desperate for any trace of clean air. As I attempted to crawl out of the flowers a new sound harmonized with the thunder paws, screams and howls for help terrorized me. I clawed at the ground desperate to escape the menacing choir. Fire licked my skin and I screamed for help. Sobs escaped my lips as flaming branches fell on me from above. The smell of burning flesh was the only thing that consumed me as everything went dark.

It wasn't exciting but it was her life until one night, she woke up in a strange room in the middle of rural Illinois-bruised and with jumbled memories of her mother's death from a vampire attack. The Midwest pack comes to her rescue. Known for being more ruthless than altruistic, she doesn't know if she can trust them. But after an assassination attempt by a necromancer, an abduction attempt by a mercenary, and more aggressive and violent attacks by the vampires, she has no other choice but to accept their help. The Midwest pack quickly discover that Skylar is the host to a spirit shade, who gives her magical abilities, that make her as much of a danger as an asset and that she is the key to the vampires' plan to perform a ritual that will give them unrestricted power. **Unleashed** - Bella Jacobs 2018-08-06

One woman on the run. Four dangerously sexy bodyguards. And a war brewing that will change the shifter world forever... I'm living on borrowed time, fighting for survival against a deadly new virus that has no cure and a cult doing its best to brainwash me. But when a mysterious note shows up on my windowsill one night, its chilling message—Run, Wren—launches me out of the frying pan and into the fire. Within hours, everything I thought I knew about my life, my family, and my origins is obliterated, and I'm racking up enemies at an alarming rate.

Between the cult I've just escaped, a violent shifter faction out for my blood, and an ancient evil who eats "chosen ones" like me for breakfast, my last hope is to join forces with four dangerous-looking men who claim they were sent to guard my life. Luke, a werewolf with a rap sheet. Creedence, a lynx shifter who never met a mark he couldn't con. Kite, a bear kin with a mean right hook and heart of gold. And Dust, my childhood best friend and dude voted least likely to be a secret shape-shifting griffin. But are these men really what they seem? Or are my alpha guardians hiding a secret agenda of their own? I'm not sure, but one thing is for certain—choosing the right allies will mean the difference between life and death. For me, and everyone I love. UNLEASHED is book one in the Dark Moon Shifter's series. It is a true reverse harem featuring one woman and her four mates.
