Creditworthiness and 'Responsible Credit' - Noah Vardi 2022-09-12

In this comparative study in US and EU law, Noah Vardi questions whether there is a legally enforceable duty to lend and borrow credit in a "responsible" manner and clarifies the associated notion of "creditworthiness."

The Massachusetts register - 2013

Pay Days - Bill James 2014-01-14

Chief Superintendent Colin Harpur and his amoral superior Assistant Chief Constable Desmond Iles face a political and personal dilemma when they suspect fellow Officer Nivette of taking bribes from underworld villains, panicking Ralph Ember and Mansel Shale. Is Nivette doing some unauthorised undercover work, or is he really bent? And where has the body of smalltime dealer Slow Victor gone? Trussed up in the cabin of a deserted boat one minute, gone the next. Harpur starts to make the connection, but will it be in time to save Nivette? 'The suspense is almost unbearable, the latent truth uncomfortable and the result haunting'

Congress. House. Committee on Appropriations. Subcommittee on Military Construction, Veterans Affairs, and Related Agencies 2014

Project Finance for Construction - Anthony Higham 2016-12-08

The world of construction is intrinsically linked with that of finance, from the procurement and tendering stage of projects right through to valuation of buildings. In addition to this, things like administrations, liquidations, mergers, take-overs, buy-outs and floatations affect construction firms as they do all other companies. This book is a rare explanation of common construction management activities from a financial point of view. While the practical side of the industry is illustrated here with case studies, the authors also take the time to build up an understanding of balance sheets and P&L accounts before explaining how common tasks like estimating or valuation work from this perspective. Readers of this book will not only learn how to carry out the tasks of a construction cost manager, quantity surveyor or estimator, they will also understand the financial logic behind them, and the motivations that drive senior management. This is an essential book for students of quantity surveying or construction management, and all ambitious practitioners.

Proceedings of the City Council ... - Chicago (Ill.). City Council 1902

Encyclopedia of Women and American Politics, Third Edition - Lynne Ford 2021-07-01

Pain Management and the Opioid Epidemic - National Academies of Sciences, Engineering, and Medicine 2017-09-28

Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA's development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

Poverty propaganda - Shildrick, Tracy 2018-04-11

Does 'real' poverty still exist in Britain? How do people differentiate between the supposed 'deserving' and 'undeserving' poor? Is there a culture of worklessness passed down from generation to generation?

Bringing together historical and contemporary material, *Poverty Propaganda: Exploring the myths* sheds new light on how poverty is understood in contemporary Britain. The book debunks many popular myths and misconceptions about poverty and its prevalence, causes and consequences. In particular, it highlights the role of 'poverty propaganda' in sustaining class divides in perpetuating poverty and disadvantage in contemporary Britain.

[Social Security Law in Turkey](#) - Kübra Dogan-Yenisey 2019-11-22

Derived from the renowned multi-volume International Encyclopaedia of Laws, this book describes the social security regime in Turkey. It conveys a clear working knowledge of the legal mechanics affecting health care, employment injuries and occupational diseases, incapacity to work, pensions, survivors' benefits, unemployment benefits and services, and family benefits. The analysis covers the field of application, conditions for entitlement, calculation of benefits, financing, the institutional framework, and relevant law enforcement and controls. Allowances for retirees, employees, public sector workers, the self-employed, and the handicapped are all clearly explained, along with full details of claims, adjudication procedures, and appeals. Succinct yet eminently practical, the book will be a valuable resource for lawyers handling social security matters in Turkey. It will be of practical utility to those both in public service and private practice called on to develop and to apply social security law and policy, and of special interest as a contribution to the comparative study of social security systems.

[The Political Economy of Work in the Global South](#) - Anita Hammer 2020-03-28

Part of the Critical Perspectives on Work and Employment series, this edited collection brings together contributions from leading international scholars to initiate an important dialogue between labour process analysis and scholarship on work in the Global South. This book characterises the forms of work and labour process that characterise globalising capitalism today and addresses core analytical concerns within Labour Process Theory and research on work in the South. It explores how a wide range of production relations in the Global South, ranging from formal to informal employment and self-employment, are embedded in wider social relations of gender, caste, religion and ethnicity, and are related to wider patterns of commodification and resistance. Drawing on cutting-edge research, the book's chapters consider a diverse range of working situations, covering migrant workers in the Middle East, commercial surrogacy work in India and cooperative garment workers in Argentina. In offering a novel reading of the political economy of work in the Global South and shedding light on lesser-considered fields of work and worker organization, this volume will provide new insights for making sense of the changing world of work for students, scholars, labour activists and practitioners alike.

[The Oxford Handbook of Water Politics and Policy](#) - Ken Conca 2018

This handbook is currently in development, with individual articles publishing online in advance of print publication. At this time, we cannot add information about unpublished articles in this handbook, however the table of contents will continue to grow as additional articles pass through the review process and are added to the site. Please note that the online publication date for this handbook is the date that the first article in the title was published online. For more information, please read the site FAQs.

The Global Findex Database 2017 - Asli Demirguc-Kunt 2018-04-19

In 2011 the World Bank—with funding from the Bill and Melinda Gates Foundation—launched the Global Findex database, the world's most comprehensive data set on how adults save, borrow, make payments, and manage risk. Drawing on survey data collected in collaboration with Gallup, Inc., the Global Findex database covers more than 140 economies around the world. The initial survey round was followed by a second one in 2014 and by a third in 2017. Compiled using nationally representative surveys of more than 150,000 adults age 15 and above in over 140 economies, The Global Findex Database 2017: Measuring Financial Inclusion and the Fintech Revolution includes updated indicators on access to and use of formal and informal financial services. It has additional data on the use of financial technology (or fintech), including the use of mobile phones and the Internet to conduct financial transactions. The data reveal opportunities to expand access to financial services among people who do not have an account—the unbanked—as well as to promote greater use of digital financial services among those who do have an account. The Global Findex database has become a mainstay of global efforts to promote financial inclusion. In addition to being widely cited by scholars and development practitioners, Global Findex data are used to track progress toward the World Bank goal of Universal Financial Access by 2020 and the United Nations Sustainable Development Goals. The database, the full text of the report, and the underlying country-level data for all figures—along with the questionnaire, the survey methodology, and other relevant

materials—are available at www.worldbank.org/globalindex.

[Queer Sex Work](#) - Mary Laing 2015-03-05

Sex work is a subject of significant contestation across academic disciplines, as well as within legal, medical, moral, feminist, political and socio-cultural discourses. A large body of research exists, but much of this focuses on the sale of sex by women to men and ignores other performances, practices, meanings and embodiments in the contemporary sex industry. A queer agenda is important in order to challenge hetero-centric gender norms and to develop new insights into how gender, sex, power, crime, work, migration, space/place, health and intimacy are understood in the context of commercial sexual encounters. Queer Sex Work explores what it might mean to 'be', 'do' and 'think' queer(ly) in the study and practice of commercial sex. It brings together a multiplicity of empirical case studies - including erotic dance venues, online sex working, pornography, grey sexual economies, and BDSM - and offers a variety of perspectives from academic scholars, policy practitioners, activists and sex workers themselves. In so doing, the book advances a queer politics of sex work that aims to disrupt heteronormative logics whilst also making space for different voices in academic and political debates about commercial sex. This unique and multidisciplinary volume will be indispensable for scholars and students of the global sex trade and of gender, sexuality, feminism and queer theory more broadly, as well as policymakers, activists and practitioners interested in the politics and practice of sex work in local, national and international contexts.

[Functional Performance in Older Adults](#) - Bette R Bonder 2017-12-04

Support the very best health, well-being, and quality of life for older adults! Here's the ideal resource for rehabilitation professionals who are working with or preparing to work with older adults! You'll find descriptions of the normal aging process, discussions of how health and social factors can impede your clients' ability to participate in regular activities, and step-by-step guidance on how to develop strategies for maximizing their well-being.

[United States Code](#) - United States 2013

"The United States Code is the official codification of the general and permanent laws of the United States of America. The Code was first published in 1926, and a new edition of the code has been published every six years since 1934. The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress, Second Session, the last of which was signed by the President on January 15, 2013. It does not include laws of the One Hundred Thirteenth Congress, First Session, enacted between January 2, 2013, the date it convened, and January 15, 2013. By statutory authority this edition may be cited "U.S.C. 2012 ed." As adopted in 1926, the Code established prima facie the general and permanent laws of the United States. The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy. In 1947, Congress began enacting individual titles of the Code into positive law. When a title is enacted into positive law, the underlying statutes are repealed and the title then becomes legal evidence of the law. Currently, 26 of the 51 titles in the Code have been so enacted. These are identified in the table of titles near the beginning of each volume. The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U.S.C. 285b to enact the remainder of the Code, on a title-by-title basis, into positive law. The 2012 edition of the Code was prepared

and published under the supervision of Ralph V. Seep, Law Revision Counsel. Grateful acknowledgment is made of the contributions by all who helped in this work, particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office"--Preface.

The Mentality, Vol. 1, Book 5 - Julian Hill 2016-08-18

The Mentality series exposes the creative nature of Pay Day the Author/Julian Hill as he lists tables accounting for how much material he created and/or worked on that particular day. It is meant for other artists and writers alike to maximize their God-given abilities. Within you will find poems, songs and book excerpts. You'll be able to successfully follow along as there are also entries at times explaining the inspiration behind certain concepts that he has and where they originated. Big and Beautiful Women and their Admirers can appreciate one of their own express creativity often speaking to them specifically. Christians and the Hip Hop communities hear Pay Day/Julian cover a variety of subjects being Christ-centered first. That is his ultimate goal in everything he attempts to do especially in terms of writing and developing material for a wide-ranging audience. The collection consists of 11 books in Volume One

approximately 115 pages each. Real Game University Publishing (RGUP) presents to you a glimpse into the world of Pay Day the Author/Julian Hill as he stuck with this particular collection on a daily basis starting January 1, 2014 to late-November 2014. While others may choose to write his history, Pay Day prefers to write it himself, so that people can understand him correctly whether being right or wrong. Enjoy.

The Work-Family Interface - Sampson Lee Blair 2018-10-29

This volume focuses upon the complex nature of the work-family interface, and how families around the globe deal with the inherent dilemmas therein. Chapters examine how work affects families in both overt and discrete manners, as well as how family life, in turn, affects paid employment.

Austerity as Public Mood - Kirsten Forkert 2017-09-20

Explores how UK politicians and the press mobilise support for 'austerity' through appealing to socially conservative conceptions of work and community. It examines the techniques of anti-austerity social movements in challenging the prevailing mood of guilt, nostalgia and resentment and how these may offer radical alternatives for social change.
