[Linda Goodman's Sun Signs](#) - Linda Goodman 2019-11-26

Embark on your cosmic path to self-discovery with this comprehensive guide to the twelve signs of the

zodiac. Your sun sign is determined by the day and month of your birth and dictates your zodiac personality. Taking each of the twelve signs in turn, world famous astrologer Linda Goodman explains the importance of the sun - the most powerful of all stellar bodies - in astrology. She describes the characteristics of each sign and how these can be used to really get to know the men, women, children, bosses and employees in your life. This newfound knowledge allows us to feel closer to one another and to understand that, as Goodman says, 'Not all Capricorns are meek, not all Leos are outwardly domineering and not all Virgos are virgins.' Learn all this and much, much more from the world-famous astrologer who has helped millions divine their way to success, happiness and love by studying the sun signs. Before publication of Sun Signs in 1968, astrology as we know it had a very limited following. With this book, Linda Goodman changed that forever, bringing metaphysical consciousness to millions of readers around the world for the first time. Newspapers began running astrology columns, and Goodman herself contributed to these in the larger mass circulation women's magazines. An increasing number of people knew their sign and how to interpret the signs of others, introducing the study of astrological tendencies as we now know it.

Astrology Secrets Revealed: 10 Shocking Tips About Astrology and Relationships - Erica Green 2015-05-25

The Complete Idiot's Guide to Astrology Astrology uses two ways of predicting the future - one is astrological transits and the other is astrological progressions. It is important to understand how both play, in the way a horoscope is read out and predications made. Astrological transits look into the movement of planets and the impact of such movements in space and n personal horoscope. Astrological progressions use a set of methods to determine how a horoscope has moved forward in time. Now-a-days, astrologers no longer predict actual events. Instead what they do is bring out various general astrological events in order to have better results and give importance to arbitrary and unrelated events. The Secret Language of Astrology - Roy Gillett 2017-03-07

A beautifully illustrated practical guide to astrology - with a unique Astrolabe™ weblink that allows you to download personalised birth charts for free, in a matter of moments. What is the effect of each of the planets on your zodiac sign? What is the influence of the 12 "houses"? What are "aspects" and how do they relate to your birth chart? In this unique book and weblink package, renowned astrologer Roy Gillett uncovers the hidden layers of astrology to explain the complex interplay of influences that shape our character. The Secret Language of Astrology gives access to an Astrolabe™ website created exclusively for the book, enabling you to create a detailed birth chart for yourself, or for family or friends, within seconds. A historical introduction traces the history of astrology from antiquity to the present day. The second part of the book, "The Elements of Astrology", looks at the planets, the zodiac signs, the twelve houses and the aspects. The emphasis throughout is on equipping the reader to analyse their birth chart, by examining the influences and showing how they combine to shape our lives and our potential for growth. The third part, "Putting the Pieces Together", shows you how to apply all this information when reading a full birth chart. Thoroughly practical, but with a wealth of historical and cultural detail, as well as superb illustrations and photographs, this is a landmark in astrological publishing.

Cosmic Love - Jan Spiller 2007-12-26

A world-renowned astrologer reveals the path to successful relationships.... In this powerful guide, astrology expert Jan Spiller shows you how the practical science of astrology can lead to real-life results in the realm of intimate relationships. Moving beyond the commonly known sun-sign profiles, Spiller delves into the meanings and mysteries of your personal North Node—the vital point where the orbits of the earth, moon, and sun intersect—to help you bring love into your life. For more than thirty years, she has studied how the effects of the Nodes of the Moon help us steer our life force in positive ways, accept the possibilities the universe has placed in our path, and stop sabotaging relationships. By locating the position of your North Node, which can be found in the chart provided, and the house in which it falls in an important relationship, Spiller helps you discover the astrological, psychological, and spiritual tools to:

- Learn the secrets to open up intimacy and enjoy satisfying, lifelong romance
- Move beyond old hurts that can tear a relationship apart
- Allow others to be themselves—and not try to change them
- Experiment with new ways of interacting in important relationships
- Discover what gifts your partner brings to you—and what gifts you bring to your partner
- Navigate the energy of pastlife connections
