Adjusting to a World in Motion - Douglas J. Besharov 2016

Today, 215 million people live outside their home countries and another 700 million say they would migrate to another country if they could. This volume examines the ways both sending and receiving nations are modifying their migration policies to control entry, to encourage assimilation, and to build links between diasporas and their home countries.

Routledge Handbook of Persian Gulf Politics - Mehran Kamrava 2020-06-22

The Routledge Handbook of Persian Gulf Politics provides a comprehensive and up-to-date analysis of Persian Gulf politics, history,

economics, and society. The volume begins its examination of Ottoman rule in the Arabian Peninsula, exploring other dimensions of the region's history up until and after independence in the 1960s and 1970s.

Featuring scholars from a range of disciplines, the book demonstrates how the Persian Gulf's current, complex politics is a product of interwoven dynamics rooted in historical developments and memories, profound social, cultural, and economic changes underway since the 1980s and the 1990s, and inter-state and international relations among both regional actors and between them and the rest of the world. The book comprises a total of 36 individual chapters divided into the following six sections: Historical Context Society and Culture Economic Development Domestic Politics Regional Security Dynamics The Persian Gulf and the World Examining the Persian Gulf's increasing importance in regional politics, diplomacy, economics, and security issues, the volume is a valuable resource for scholars, students, and policy makers interested in political science, history, Gulf studies, and the Middle East.
