Holy Scriptures, Tree of Life Version (TLV) -
Messianic Jewish Family Bible Society
2015-08-04

A New Translation to Highlight the Jewish Roots of the Christian Faith The first Christians were Jews, and Christianity has its roots in the religion of God's chosen and called out people. Jesus's death and resurrection was not the beginning of a new religion but the fulfillment of

the covenant God made with his people. Yet most Bible translations sacrifice the deep connection between the Jewish roots of our faith and the grafted-in Gentile branches, using imprecise English terms rather than Hebrew terms that encompass a fuller meaning. The Tree of Life Version (TLV) is a new Bible translation, produced by the Messianic Jewish Family Bible Society, which highlights the rich Hebrew roots of the Christian faith by restoring: · the Jewish order of the books of the Old Testament · the Jewish name of the Messiah, Yeshua · reverence for the four-letter unspoken name of God · Hebrew transliterated terms, such as shalom, shofar, and shabbat · and more

Daniel and Esther - John F. MacArthur
2016-06-14

Many of God's people through the ages have been called to endure times of hardship, loneliness, and suffering. Some, such as Daniel and Esther, were even members of a race carried away to a foreign land that had never

heard of the God of Israel. Their lives were not easy, but even in the midst of trials, these men and women discovered that God was with them—and that He was actively leading the events in their lives. In this study, John MacArthur guides readers through an in-depth look at the historical period of Israel's exile beginning with the prophet Daniel being carried off to Babylon, continuing through the rise of the Persian Empire, and concluding with Esther's reign as queen. Studies include close-up examinations of Daniel, Nebuchadnezzar, Esther, Haman, and others, as well as careful considerations of doctrinal themes such as "Standing Boldly for God" and "God's Sovereignty Over the Future." The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.
