A Stepping-stone Year - Margaret K. Gooding 1989

Poet's Market, 1991 - Judson Jerome 1990

What distinguishes this from other poetry market guides is the guiding hand of Judson Jerome, who knows

poetry equally well from its aesthetic and its business ends. In addition to all the expected features, he adds a coding system for identifying the level and type of submission desired, a welcome time and ego saver.

Power English 7 - Dorothy Rubin 1989

Power English encourages the rapid acquisition of fundamental writing skills. The program is based on sound learning principles and is designed to keep the learners actively engaged throughout. Power English is grounded in the principle of overlearning, which occurs when students continue practicing a skill even after it is learned. Power English consists of the Locator Test, nine worktexts, and a series review book. The Locator Test is used to place students in the appropriate text in the program. Each of the nine worktexts has five chapters that cover a variety of writing skills: usage, sentence structure, mechanics, and composition. Answers are in a special perforated section at the end of each book. The section can be left in the book or removed. The series review book, Power English 9, contains eight review tests. They can be administered individually at any time during the use of this program or as a battery at the completion of the program.

Lamb Food - Kevin Crosthwaite 2020-02-25

In the Gospel of John, Jesus three times admonishes Peter to "feed my sheep." Theologians suspect the three repeats harken back to Peter's three denials. I think it simply underscores how important it is to build and nourish the worldly flock. All Christian leaders must nourish and grow their respective flocks. However, when facing a group of youth of various ages, this can be daunting. How do you keep their attention? Particularly for modern social media-addicted youth who are so easily BORED. Our solution has been to

look for a hook to gain and keep their attention. In that spirit, this book collected the ideas that worked for us. Also, when planning a Sunday school program, you will occasionally need to inspire, encourage, and support other adult leaders. This book is a collection of those stories, along with youth activities and games. While we did use scripture and Bible stories in our programs, the focus of our approach was to draw on examples from nature and popular culture that point to God. Then once you can grab their attention, together you can lead them to a deeper understanding of Scripture while they open new insights to you.

Ritchie Mined - Volume I - Bill H. Ritchie 2018-05-03

Short summaries of 3,026 essays by Bill H. Ritchie, artist, teacher and visionary drawn from his journals written between 1969 - 2009. He structured the headings of each article according an imaginary place he calls "Emeralda," imagining ten islands on a lake where he, as a recipient of a mythical prize, is encouraged to write freely about anything that seems important to an artist, teacher and philosopher. Mindful of the use of new technologies, each essay summary has key index features which would allow a reader having a computer and optional CD-ROM to retrieve the full text of any article. Or, using freely chosen keywords of their own, find the articles which have those words in them.

Learner Corpus Research - Vaclav Brezina 2017-11-30

This volume showcases original, agenda-setting studies in the field of learner corpus research of both spoken and written production. The studies have important applications for classroom pedagogy. The volume brings readers up-to-date with new written and spoken learner corpora, often looking at previously under-examined variables in learner corpus investigations. It also demonstrates innovative applications of learner corpus findings, addressing issues such as the effect of task, the effect of learner variables and the nature of learner language. The volume is of significant interest to researchers working in corpus linguistics, learner corpus research, second language acquisition and English for Academic and Specific Purposes, as well to practitioners interested in the application of the findings in language teaching and assessment.
