Psalm 119 - Heather McRobie 2008-07-01

'To stand with your peace-flag in front of an army tank and be surprised when you get shot at: this is all the joy of youth. To ask to be fired upon and then have all your friends be outraged for you: this is love.' In the first years of this century, three young people, Anne-Marie, David and Mohammed, try to find their places in a changed world of identity politics, religion, conflict and betrayal. Set against the background first of student life and then Palestine, Israel and the Balkans, this beautifully written, original and powerful debut novel draws on the poetry of the Song of Songs and the Persian poet Rumi, and asks searching questions about the nature of betrayal, loyalty and identity, both in our personal lives and in today's troubled world.

Picture Cycle - Masha Tupitsyn 2019-11-19

A multigenre investigation of the personal and cultural annals of memory, identity, and spectatorship, both on and off the screen. In exchange for studying what each fraudulent cell looks like under a merciless commercial and commodified lens, viewers enable late-capitalism to run more smoothly by calling in with their votes, as is the case with Reality TV. From the inside, secrecy appears eradicated, as though secrets or coded transparencies comprise the totality of injustice, rather than just one part. Justice is reduced to a vantage point. We see and we see and we see ad infinitum. —from *Picture Cycle* With her debut collection *Beauty Talk & Monsters* (2007), Masha Tupitsyn established a new

genre of hybrid writing that melded film criticism, philosophy, and autobiography.

Picture Cycle continues Tupitsyn's multigenre investigation of the personal and cultural annals of memory, identity, and spectatorship, both on and off the screen. Composed over a ten-year period, Picture Cycle is a pioneering collection whose sharp and knowing vignette-like essays form a critical autobiography of the daily images in our lives. Deftly covering a range of theoretical and cinematic frameworks, Tupitsyn traces here the quickly vanishing line between onscreen and offscreen, predigital and postdigital. The result is a unique intellectual study of the uncanny formation of our life's biographies through images.

Holy Scripture has fallen so completely into abeyance with us, that it is no unusual thing to hear authors, like Bishop Horne, who barely entered on it, called fanciful and crotchety in virtue of those partial attempts. I know that very much in the following pages will appear beyond measure wild and unreal to persons who are not used to primitive and mediæval commentators. To those who are, I would merely state, that not one single mystical interpretation through the present Commentary is original; and (if I may venture on the term) that fact constitutes its chief value.

The Psalm of Psaint Mabel -

Emma Mackin 2004-02-11

The Psalm of Psaint Mabel follows Mabel Wirtanen, a ham fisted Finnish masseuse from Michigans Upper peninsula, on her quest to become a spiritual force the likes of Mother Theresa or Ghandi. The award winning novel describes an uncommonly honest middle-aged single womans

frustrating, and hilarious, journey to self-knowledge. What new fresh hell is this? she asks herself repeatedly, as she tries to make her heart and mind so pure all will recognize her spiritual glory, rendering completion of her childhood fantasy to become an American Lutheran religious celebrity, a pseudo saint. Escaping the confines of her small town, (where her dream is stifled because everyone knows her faults), for more fertile and fresh fields, Mabel takes on American economic inequities and the special justice reserved for the upper class, while working as a masseuse on a luxury island off the coast of South Florida. Perhaps the first novel to detail the work of a massage therapist The Psalm of Psaint Mabelis also a landmark in portraying Yooperland, the Upper Peninsula of Michigan. So insular a part of the USA it is sometimes left off the map by the likes of Newsweek magazine, the author gives voice to the peculiar Finnglish accent dying out with the older generation. The string of

unintended consequences as the Finnish Masseuse wrestles Beelzebub ring true in the style of great literary fiction. Dark humor acts as medicine for the soul as Mabel Wirtanens escapades clarify her true potential during the time of the Thomas-Hill hearings and the Kennedy-Smith Palm Beach Trial, events that outed the problems of women speaking truth to power. Will the needed Big tips corrupt her plans for even ersatz piety? She walks the razors edge of how to work the money mojo while still appearing ethical and good. A Buddhist nun with a menagerie of stray dogs, an unhappy but sincere psychiatrist, an alcoholic New Age girlie girl, present edifying confusion into Mabels belief in the importance of being natural while striving for unattainable moral perfection. The story covers the lingering effects of Vietnam, date rape, spinsterhood, homelessness, euthansia, sexual harassment, Hurricane Andrew and the dream that got away. Studies in the Book of Psalms: being a critical and expository commentary, with doctrinal and practical remarks on the entire Psalter. [With the text.] -

William Swan PLUMER 1866

The Psalms are wonderful.

They have been read, repeated, chanted, sung, studied, wept over, rejoiced in, expounded, loved and praised by God's people for thousands of years.

The most ancient of these productions is now [1866] three thousand three hundred and twenty-six years old. The

least ancient of them is two thousand four hundred and fifty-three years old. The difference in date between the most ancient and the most modern of them is eight hundred and seventy-three years. They were all written in Asia, so that we in this Western world can have no national pride respecting them. Yet pious people here and all over

the earth have found and can find no compositions more suitable for delineating their devout emotions, and for expressing their pious sensibilities than those of inspired Psalmists. If to any man these songs are unsavory, the reason is found in the blindness and depravity of the human heart. Hengstenberg: "The Psalms are expressions of holy feeling, which can be understood by those only, who have become alive to such feeling." Other things being equal, he who has the most heavenly mind, will be the most successful student of the Psalms. - Introduction.

In 1990, New City Press, in conjunction with the Augustinian Heritage Institute, began the project known as:

The Works of Saint Augustine, A Translation for the 21st Century. The plan is to translate and publish all 132 works of Saint Augustine, his entire corpus into modern English. This represents the first time in which The Works of Saint Augustine will all be translated into English. Many existing translations were often archaic or faulty, and the scholarship was outdated. New City Press is proud to offer the best modern translations available. The Works of Saint Augustine, A Translation for the 21st Century will be translated into 49 published books. To date, 41 books have been published by NCP containing 93 of The Works of Saint Augustine, A Translation for the 21st Century.
